Security and Loss Prevention Management Raymond C. Ellis , David M. Stipanuk

A textbook and reference for students of the hospitality trades, designed for use in a course on protecting both guests and owners from various types of loss. Ellis (hotel and restaurant management, U. of Houston) and Stipanuk (property asset management, Cornell U.) explain security equipment, procedures for guest concerns, departmental responsibilities in protecting guests and assets, protecting funds, emergency management, and risk management and insurance. They append a guide to OSHA regulations for the lodging industry.
