A New Name (Love Endures) Grace Livingston Hill

A new name in a new town is all that wealthy Murray Van Rensselaer needs after he thinks he's killed his childhood friend in a car accident. Confused and afraid, Murray flees, determined to erase his past with a fresh start. When, miles from his home, Murray is mistakenly assumed to be the new young banker arriving in town, not even he believes that assuming a new identity could be this easy. But as the kindness and faith of those around him begins to convict his heart, will Murray admit his lie and face whatever consequences await him back home?

Kelly says

A quick read. Somewhat sentimental, but the growth of spiritual understanding and the repentance & new-found faith which the author describe ring true. There's also lots more lovely stuff about cosy, loving homes and good, simple food, as per usual in a GLH novel. Just the thing for a tired mind which requires a little rest and sanity.

Victor Gentile says

Grace Livingston Hill in her new book, "A New Name" Book One in the Love Endures series published by Barbour Publishing, Inc. takes us into the life of Murray Van Rensselaer.

From the back cover: "It was impressed on him with letters of fire, written with a pen of iron in his soul...he was a murderer."

Born into a wealthy family with a respected name, a new identity had never been what Murray Van Rensselaer needed. Until one disastrous event changed everything. As his car swerved to avoid an oncoming truck, his life, and the life of his childhood sweetheart, came crashing down. Now he's a man on the run from the fate that's in store for him if he stays, determined to erase his past with a new name—to be born again.

A distant town offers a safe haven—and a ready-made identity when Murray is assumed to be the new young banker scheduled to arrive on the next train. Starting over couldn't be any easier. But as the kindness and faith of those around him begin to convict his heart, will Murray dare to reveal his life of lies—and face whatever consequences await him back home?

When Grace Livingston Hill's first husband died he left her with two young daughters to raise. In an effort to support her family she turned to writing. However, Ms. Hill just didn't want to write anything she wanted to write stories of faith. Originally written in 1926 "A New Name" is a wonderful story of how God can take our disasters and use them for our benefit and growth. Murray is an example of The Prodigal Son story from the Bible. Murray leaves with his heart in one condition but by the end of the book he is a changed man. Ms. Hill knows how to tell a great story and while it may be old it still is a powerful story.

Melissa says

I read this book a *long* time ago, but didn't realize it until I was about a third of the way through. (The new cover seems completely unrelated to the story.) I love GLH's stories, but this one seems incredibly far-fetched. It works as a "modern-day" retelling of the prodigal son (set in the 20s).

Sarah says

Incredibly slow. I knew what was happening the whole time. I don't think there was a single plot item that I couldn't see coming. Yet for some reason I still liked it. It was kind of sweet I guess.

Colleen Mertens says

This was a nice easy fun summer read. It had some likable characters and a plot twist that I wasn't expecting. This book showed how God can change your character if you let Him.

Julie says

This is a story of finding your place and forgiveness.

Anna says

An utterly unbelievable plot line from the beginning, but somehow it works anyway. The spiritual and character growth are truly moving.

Dorothy says

This is a book that I read in college many years ago. It was fun to reread but did not have the excitement that modern Christian stories have.

Shari Turner says

I did not remember reading this book when my book club chose this book. As I began to read I could not remember how it ended. A young man is in a car accident. The wealthy man is now on the run from the law. The kindness of the town people where he hides out begin to convict his heart. You think at any moment he is going to get caught. The book keeps on on edge!
