Powerful Prayers in the War Room: Learning to Pray Like a Powerful Prayer Warrior Daniel B Lancaster

I WANTED TO BE A PRAYER WARRIOR...BUT I DIDN'T KNOW HOW

As Christians, we often struggle to find the words to speak in the presence of God Almighty. Praying to God may feel foreign or like a ritual, and adding to that frustration, we worry that God isn't listening. Even if He hears, will He reply?

This book will show you that **God not only listens but also answers**. He is waiting to provide an outpouring of blessings, if only you will ask Him. God wants you to be a prayer warrior and will help you.

Author Dan Lancaster was struck by the power of the prayers answered during his time as an international missionary in Southeast Asia. These **answered prayers brought glory to God and helped advance His Kingdom on Earth**. THOSE are the types of prayers we need in the world, and that is the direction this book will guide you.

Prayer was never intended to be complicated. The truth is that **Jesus showed His disciples how to pray and He wants to show you how to pray too**.

The author brings 40 years of his personal experience to the pages of this book, but most importantly, he looks to the Word to unearth what Jesus prayed about and how. With beautiful simplicity, Dr. Lancaster offers **tangible methods to reshape your prayer life beginning today**.

By opening your heart to these actionable techniques, you will begin to experience the true power of prayer in your relationship with God, in your community, and in ways you could never have imagined.

Awesome book!

I like this book because it gave valuable insight on how to pray and it was very detailed. I have read other books and they gave you no details or instructions but this book showed you what prayer should look like. I would recommend this book to anyone who wishes to strengthen their prayer life. I gave this book five stars because it was more than helpful for what I need on my spiritual walk and to enhance my prayer life.

Many powerful guidelines and encouragement

Daniel Lancaster gives his guidelines for powerful prayer! Explaining the why's and giving examples of how they have shaped him and his life and ministry. I found that by using them I have become more focused.

Steph Gibbs says

Very helpful

I greatly needed this book! Because of the concept of PRAY, my prayers are so much more organized, and the hand movements make me feel more connected to God. I have tried praying aloud. At first it felt strange but eventually I got used to it. The entire book was helpful, but the PRAY steps helped the most.

Tania Joseph says

Very informative

I felt this book was very informative. I've always wanted to improve my prayer life, and this book has shown me a lot. I've already started using some of the information I have learned.

Vicki Brooks says

Great truths

Great truths are in this book with ways for us to remember and practice how we approach our Father. Love all the scriptures and quotes of great examples of prayer. The idea of journaling was also a great way to remember that He is God.

Joy says

More effective prayers

This book was most helpful in helping me identify areas in my prayer life that I needed to practice in order to have a more effective prayer life. I certainly enjoyed reading this book and definitely recommend it.

Tracy Mcvicker says

This was a worthwhile read and a book I will go back to for reference. While I do believe that we can get so caught up in how to pray that we forget to pray, the author gives some valuable information on what really matters in prayer and how to pray in a real and meaningful way. I especially liked his thoughts on the Lord's Prayer.

Mary Giles says

This book allow you to check your pray life and let you know if your are continually on the right path. I enjoy the different pray when you are stuck and don't know what to pray.

Cori says

Simple, effective prayer strategies

This book was short but full of excellent advice on prayer, and how to make your prayer life stronger and deepen your relationship with the Most High. Loved it.

Rebecca Hyson says

Prayer power

I really enjoyed reading this. So often I struggle with how to pray. This book has helped me see praying in a whole new light. Thank you so much. Easy step by step instructions that will be easy for me to implement.

Faloria Jones says

Great book, I really learn a lot about prayer in this book! I am going to read this book over and over!!

and do exactly what it teaches me to do about prayer.

I chose this rating because the book teaches prayer, where it is so easy to understand, and help you learn how and why you should pray. Great book

Deb says

I grew up in church but like many others, I walked away as a young adult – determined to live life on my terms. Turns out my terms kind of stunk but I was too proud to admit it. I finally came back to church about fifteen years ago and have a much deeper relationship with God than I ever knew possible as a young person. I believe in, have witnessed and personally experienced the power of prayer. However, I have struggled to go deeper in my own prayer life. Powerful Prayers in the War Room by Daniel Lancaster has given me a step-by-step guide to a deeper, more powerful prayer life. The basic principles, tips and strategies laid out in this little book are invaluable.

I have read a few books on prayer over the years and it seems as though most make it more complicated than it really should be, which is neither helpful nor encouraging for the believer struggling with his/her prayer life. Additionally, most believers know that the Lord's Prayer is the example Jesus gave us of how to pray, but like many believers, I can honestly say that I have never taken the time to study and understand it. Lancaster's years of study, missionary work, and pastoring have led to a simple, user-friendly guide to a more powerful prayer life. He has taken the Lord's Prayer and other simple examples of Jesus praying in the Bible and given readers four weapons of prayer, seven powerful prayer topics (taken directly from the Lord's Prayer), outlined four ways in which God answers prayer, three war room prayer strategies and nine tips to improve one's prayer life – all in one forty-six page book!

In addition to this little book being a valuable and very usable tool, Lancaster's writing style is fluid and easy to read. His examples and stories are relatable and do an excellent job of illustrating his points. In fact, after reading this book for free via the Kindle Unlimited program, I decided I needed to be sure I always had a copy available to me, so I purchased it. I will not only be referring to this book regularly as I put the recommendations and tips into practice, I will also be recommending it to friends and family whom I know are struggling as well.

Michael Tyson says

Great book on prayer tactics.

This book was a big help in understanding what many consider a difficult topic. It broke prayer down into a system that almost anyone can apply to their prayer life.

Jerrica Blackwell says

Powerful and thoughtful tips for praying in Gods will

I enjoyed this ease of reading this book. The topics were clear and concise without being too lofty. A must read for the prayer warrior in all of us!

Frank Johnson says

wonderful book to keep your mind and spirit protected from this wicked world we live in. It was very fulfilling to read and recommend it for anyone looking to improve their self-preservation skills in terms of spirituality.
