Mhbaneraol.com says

Great children's book. My grandson loves it. Could be used with girls.

Rachel Patrick says

We loved this book! My grandson is working on his letters and enjoyed this book with all the pictures that interested him!

My grandson loved this book! We are working on his letters and he enjoyed a book that was filled with pictures that little boys love!

Misti Kicklighter says

Great book

Liked the pictures and how well illustrated they were. Would definitely recommend it to a friend with small children. Would like more like this

Sterlande Altidor says

I love this book; this book is wonderful to teach the alphabet letters to little boys. The letters in this book is really perfect for young children, and the colors are very vibrant. As a parent of a four years old boy, I am recommending this book for all toddler boy's parents to read it to them.

Ms. Mystery says

This is a great learning tool for kids that are learning their ABCs. I love the drawings and the bright colors. This would make a great gift for a little boy.

Nora Ware says

Fantastic book I love the art

Beautiful pictures my 4 year old son loves this book he loves trucks and planes. It is helping him to learn his abc
