Rebecca Burnsworth says

This Bible only comes in New Living Translation. It is 8.65 font, black letter only, single column and 2 inch margins. The one I have featured is a hard cover but there is also a soft cover option. The Inspire Praise Bible is great for coloring and journaling, and comes with 500 all new designed scripture art. You will notice this Bible is updated with warm, white pages which are thicker than other journaling Bible pages. There are 32 colorful see through pages that you can add your own personal touch or leave as is. This Bible even comes with a 5×7 purple pocket in the back to store stickers and other embellishments. It is a great place to keep the three themed sticker sheets that come with it.

I think this Bible was updated beautifully. There are many reasons why I feel this Bible is a great one for all ages. No matter what experience level you are on, you will get a lot of enjoyment out of journaling/coloring in this Bible while reading God's word. The edges are exquisitely detailed and with your own way of journaling, you will be able to keep it for years to come.

Please note I have received a copy of this Bible from Tyndale House Publishers in exchange for my honest review.
