The Sunday School Teacher

Cole Hart

The Sunday School Teacher Cole Hart

No! I wasn't raised in the church. It didn't happen until my mother fell ill and God took her away from me for no reason at all. Cancer, they say. But I needed to hear it from God, so I began talking with him every day until my friends started calling me crazy. At that point, I started removing myself from the "IN" crowd and became a loner. I left Augusta, Georgia a little over a year after I graduated from high-school and took a Greyhound bus to Atlanta. From that point, I lived in a women's shelter and joined a pretty decent church. Then, I found my position as the Sunday school teacher. I loved working with the youths.

That was until I met a man. The man that my Pastor had warned me about. He knew him so well because they were brothers from the same womb. I should have turned away then. God was trying to tell me something. Instead, I fell into his powerful arms. Honestly, I didn't see anything wrong with falling in love in church. Then, at the blink of an eye, I was standing in the courtroom, my eyes were filled with tears, and I was frightened. The jury had been deliberating for the last few hours, only to find me guilty on all counts. The judge wasn't light on me either. He sentenced me to "Life" in a Georgia state women's prison. And that's when I stopped believing in God.

Everyone has a testimony, but Annabelle Humphrey has a hope-filled and inspirational story about faith, love, friendship and redemption that will certainly grab you from the first page to the very last one.

Michelle Sharpe says

???????????????

This book was amazing a true story teller. Reading Coles book always have you feeling like you are apart of the story and the characters life. This is a must read a ?????????? banger for sure. This cliff hanger can't wait for part 2

april thomas says

O

It was OK ? I see what 2 got An n hope she get out see ? with old boy

Kinisha says

Different and Good

This book!!!! I really wasn't expecting things to play out the way that they did.. Poor Annabelle just can't catch a break and although the road seemed dark, she maintained her faith in God.. I truly enjoyed this book!!!

Danielle Guidry says

♥♥♥♥♥

I felt so bad for Annabelle all the things she went through but she was a woman of faith I loved the way she still prayed & trusted God no matter what Mr Cole Hart keeping doing your thang and bringing the ????

Denise Gilliam says

This was a great book. I really enjoyed this book I love Daisy Mae she was truly my girl. I love the Annabelle she had her faith and she was stead strong in it. If you don't have faith you don't have anything. I can't wait for part two. This book took me through all types of emotion whenever I think of god and his words I get emotional so this book put slit of life situation in prospective and all I can say is this was a great read. I recommend this book to everyone to read it was definitely on point. Great job Cole Hart great job.

Judith Sims says

Awesome!!!

Even though I've been a Sunday School teacher myself i stopped reading it because it seemed slow and not gangster enough, but I was drawn back into it. I must say by the time she went to prison I was in tears. I knew from the first yime he yelled at her in that car when thing's didnt go right in Colorado, he wasn't right. A lot of thing's touched hom for me as far as keeping the faith anyway, no matter what happens. I really loved this one. Mr. Hart has outdone himself this time and I can't wait for part 2. I didn't even realize the no cussing until the end. That was really special for me.????

Dee Cherry says

Annabelle definitely was a woman of God. Her life seemed to change overnight. Storyline was fulfilling in describing her trials, tribulations & the power of prayer. Once I started this book, it was difficult to stop reading. All characters played a significant role. Daisy Mae was a positive force & someone Annabelle was lucky to have met. Pastor James spoke the truth & interaction with Jamal was a lifelong lesson. Looking forward to reading next part.

MsReads Alot says

I've read a lot of other books by this author, but this was not my favorite from him. Not a bad read, but didn't hold my interest through most of it and seemed slow. Maybe you have to be a certain type of person or have a certain level of faith to be enthralled by it. This just wasn't my cup of tea, but might be for some other people. I won't be getting the sequel myself.

Tanya Webber says

Blessed

When I tell you this book gave me hope. We all go through things, BUT if we keep our Faith and stay under Gods will, we can and will accomplish so much. This story reminded me that everything won't be easy but if we stay focused it'll be worth it! Great read Cold Hart

Trish Watson says

Looking Forward to More

I truly enjoyed this story. And I look forward to part 2, to seeing how things will go because I know they will continue going up. Great job!

Latoya Samuel says

Great inspirational read

This book really spoke to my spirit. Not only during my incarceration but now with my current struggle I needed this story. Annabelle's faith and strength is nothing sort of Amazing and I'm definitely recommending and sharing this book to remind us all just how Awesome God is and how we need to spread his word.

Karen says

This is my first read by this author. I enjoyed this book so much. Annabelle loss her mom to cancer, but she wanted to hear from God. She started talking to God every day about taking her mom. After graduating from high school Annabelle took a bus to Atlanta. Annabelle lived in a woman's shelter and joined a church. Annabelle became a Sunday School Teacher and she loved it. Annabelle met the pastor's brother and pastor advised her to stay clear of him. Annabelle did not listen to the pastor and was sentenced to life in prison. Awesome story, waiting for part 2..

Sally Jones says

Loved it!!!!

This book has blessed me today and have given me a new found love for my family. I appreciate the twist and turns and circumstances of Annabelle's life, for we sometimes take life for granted and stray away from God to participate in things that we know goes against everything we know. I was there before and I thank God for stepping in and took me out of the situation before it was too late. Thank you so much for this wonderful read and I look forward to reading your next book.

April Gray says

Great read

The Sunday School Teacher was amazing. The power of God. I can't wait to find out how Annabelle's life turn out.

Tamara Edwards says

God is Good

This book touched my heart in so many ways. As a Christian, it is important to remember that Satan is

always busy and wants us to lose our sight of God. But God is so faithful that He never gives up on us. Annabelle trusted God but she allowed Satan into her life when she ignored the pastor's warning. She will be an overcomer because God is in her and she is witnessing to others. Can't wait for part two. Her testimony will be great just like Cole Hart's testimony is. Praise be to God!
