The Lion

Stephen D. Sullivan

The Lion Stephen D. Sullivan

The last book in the Clan War series, "The Lion" will generate a great deal of interest. All the great clan heroes from the six previous books play critical roles in this novel. This book provides an exciting conclusion that is eagerly anticipated by fans of the popular series.

Javier Molina says

Si al menos lo hubiesen editado en español...

Oliver Wiatrak says

In my opinion one of the Top3 of the series.

You can read every book stand alone or in independent sequence, but I suggest from 1 to 7 :)

Serge Pierro says

The conclusion to the series of novels set in the world of Rokugan. Fans of L5R will enjoy this series, as would readers with an interest in the fantasy samurai genre.
