Rosa Cline says

I really enjoyed this Dora's book. It wasn't like most of them and wanted the child to be interactive; it was more of a storybook which I liked. My 3 year old granddaughter really enjoyed it as well. A really neat Christmas book where Dora and her family help Santa on Christmas Eve including not only all the children but all the animals as well...

Sarah Adamson says

A Dora story book based on the tv show. This one is all about Christmas Eve - and we read it in July! This is a nice Dora themed Christmas Eve exploration of Santa and his ability to deliver toys to all the children and animals of the world. Fun and gentle although a mention of Dora being super tired after staying up all night would be appreciated!!

Merged review:

This is the Dora version of a Christmas Eve, what happens when Father Christmas's reindeer are sick - Diego looks after them, the explorer stars pull the sleigh and Dora and Boots help deliver all the presents to all the children and animals in the world.

I would have liked a mention of how tired Dora was after being up all night but otherwise a fun version even when read in July which is when my daughter picked it!

This is a cute book. Santa's reindeer are sick and can't pull the sleigh, so Dora's stars pull it instead. The only thing I don't like about this book is my son keeps asking the names of the stars, and I don't know their names. Finally last night I just started giving them silly made-up names, which made him laugh.

Lindsey Schultz says

It is Christmas Eve and Dora has a visitor that needs help. Santa's reindeer have colds. So Dora helps Santa deliver the presents while his reindeer recover. Dora recruits the stars to assist. Like normal Dora saves the day. I think the students would enjoy this twist to Christmas stories, especially if they like Dora.

Good Christmas Story

This is a good Christmas story for fans of Dora the Explorer but a little long for those under the age of four years old. Wish there were Dora books that were shorter for those 2 to 4 years old.

Tanya says

This one was bad even for Dora. Santa's reindeer get sick, so Santa stops at Dora's house. Dora's parents make the reindeer some warm carrot soup, while Dora and the Stars help Santa save Christmas. Even my preschooler and elementary age kids were not thrilled with this one. Swiper didn't make a personal appearance at all, though it was cute that apparently he is a big fan of Christmas and his hideout was very decked out for the holiday.

This just didn't have the repetition factor or the "find Swiper" aspect that appeals to the preschool set. The pictures were okay but nothing special. Dora is not always my favorite character, but I can usually see the appeal, and this time I didn't.
