I like this story better than the first one.

Lissa Smith Reads'~Bookaholics Bookshelf Reviews says

WTF?? I couldn't figure out how the story changed so much. I didn't even recall any of the characters. It was like I was reading a different serial. I guess I have to start the serial over to figure out what's going on. Which is another reason w I need to wait until the serials are completed or at least a books worth.

Sanne says

I like this storie of the series better than the storie of Jake and Raven.

Mesmerizing

Could not put this book down. Totally had me drawn into story line. The Debt continues with new characters.

A must read for Romance Readers in 2015!

Natalie The Biblioholic says

This installment was sexy... and annoying. I just think that Faith was incredibly easy. I know that happens a lot in this type of series, but there was absolutely no mystery to her! Chase seems incredibly interesting though. I can't wait to find out more about him. Who doesn't love an amazingly hot, gorgeous, sexy, muscular, PACKING, 6 foot 5 athlete with some darkness to him? If you deny it, your in denial. Why you always lyin'?

Question: am I to assume that Faith is the same young woman that Zeke from Club Alpha tagged at the end of Jake and Raven's story?

Pam Powell says

Wow

Wow Kelly you have did it again. keep them coming!!!! can't wait for the next book. again job well done!!!

Nikki Wilde says

So, there's a lot of football in this one. I kind of enjoy it because Boston is about 45 mins from me. So, even though we don't call them the Patriots, it kind of feels the same.

Talk about obsessed. Faith meets Chase for like, 10 minutes or so and now she's in love with a sport she didn't even like before. I guess, maybe we've all been there a time or two. Trying out things to impress a potential SO.

So, it took way too long to get to the point with Raven and Jake, I'm hoping that Faith and Chase are much more to the point. I mean, with Jake and Raven they kind of threw everything plus the kitchen sink at us.

I guess we'll have to see what's going to happen.
