Macroeconomics R. Glenn Hubbard , Anthony P O'Brien

For one-semester courses in Principles of Macroeconomics. **The Relevance of Economics Through Real-world Business Examples** *Macroeconomics* with MyEconLab makes economics relevant by demonstrating how real businesses use economics to make decisions every day. And with an ever changing U.S. and world economy, the **Sixth Edition** has been updated with the latest developments using new real-world business and policy examples. Regardless of their future career path--opening an art studio, trading on Wall Street, or bartending at the local pub--readers will benefit from understanding the economic forces behind their work.

Also Available with MyEconLab(R) This title is available with MyEconLab-an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

NOTE: You are purchasing a standalone product; MyEconLab does not come packaged with this content. If you would like to purchase both the physical text and MyEconLab search for: **0134435044 / 9780134435046** *Macroeconomics Plus MyEconLab with Pearson eText (1-semester access) -- Access Card Package*

From Reader Review Macroeconomics for online ebook

Lynn says

I didn't enjoy it because I find the subject matter boring. It is probably a great book if you are interested in the subject. I had to read it for a class requirement for a business degree.

Brian says

Actually reading the 4th ed. Find the info presented in a clear, well illustrated fashion. informative graphs supplant the text well.
