We absolutely adore Barbie's I Can Be A series. It's a lovely series that helps to empower young girls to be whatever they want to be when they grow up. My daughter enjoyed this book and the positive message that can be found within. This book is perfect for beginners or Level 2 readers.

Arwen says

A simple book where Barbie follows her friend Emma, a farm vet, around a farm while Emma checks on all the animals. Don't expect it to be very detailed, but if you have a little girl who wants to be a vet this is a book she can pick up and read on her own.
