Goodnight, Campsite Loretta Sponsler , Olga Shevchenko (Illustrator)

Children love books, almost as much as they love camping! “Goodnight, Campsite,” is the perfect place for young readers to start a great outdoor adventure and discover camping options along the way – options from tents to various recreational vehicles (RVs).

“Goodnight, Campsite,” is set in a beautiful nature park. The story follows visitors as they explore the park during the day (hiking, biking, fishing, etc.), and then returns with them to their campsite at night.

Preschool-aged children will love the beautiful and colorful pictures – and searching for the squirrel hiding in the pictures. Rhyming text will keep children engaged, as they build sound associations and phonemic skills.

Also included in the book is a Campsite Bingo game!

Lori Cornett says

It's cute to be able to search for the little fox on every page.

Kim says

Charming book

I loved reading this with my granddaughter. The rhyming words were fun and the illustrations just delightful. This lead onto a fun question and answer session, so, all in all a very enjoyable book. Try it for yourself...I think you'll be surprised.

Reneé Greco says

Love this book

The graphics and storyline were stunning. People of any age will love this book. It really makes you appreciate nature and adventures

Country Goose says

Wow....

Well, some of it isn't bad, but its sadly inaccurate wildlife depiction and its adult references make it too far out of the realm for child book. Couples making a toast, men going on a weekend without their wives and kids, and what does a retired couple selling their home and taking things on the road with her shopping and him golfing separately have to do with the campsite?

Joan Exner says

Cute book

Cute book for all ages. I have friends and family that camp, I think they would very much enjoy this book.

Teresa Myers says

Sweet

Nice rhymes, sweet story. Good illustrations. Can't wait to read again to my kiddos. Love to camp, sleep tight. Good night

Jenn says

A cute poem about camping. I did like the pictures although they aren't cross stitch quality (something I always look for in children's books).

Amanda says

Cute children's book about camping. Incorporates tents and campers, hiking, biking, backpacking, fishing, campfires, scouting, animals and nature. Story is not great but more of an introduction to different things people do while camping. The only thing I didn't like was it seems to lack girls. Boys are represented with scouts, bikes, and construction toys. Even the grandparents- he golfs, she shops? ????. But still cute overall.

Brenda says

I read it in a sing song fashion. But nice little story. Pictures were okay.

Modern says

Having read a lot of the "goodnight" books or similar, this one felt a bit more mature and even lengthier if that's even possible. The illustrations are great and the rhyme and rhythm is too. Unfortunately, unlike most of the other similar goodnight books, it did not keep the interest of our toddler. As a parent, I enjoyed the keys and map!

Paula Ehrlich says

Great Rhyming Story

This is great for children learning to rhyme. Excellent illustration as well, very descriptive and well written. Enjoy! 5 stars.

J Layne says

A (poorly) rhyming book. It was ok.

Sultan * Baby Mama Smut-a-teer* says

This was cute. We got camping every summer since my son was 1 and he loves it!! He loved picking out all the fun stuff he does when he goes camping.

Steven Kerns says

Only good if you really, really, really love camping.

The story was meh. My girls didn't care for this book. It might have been better if I had overwhelmingly good memories of camping that could distract me from this story -- but I don't love camping.

Julie Barrett says

Goodnight, Campsite by Loretta Sponsler, Olga Shevchenko

Children's colorful rhyming book about a stay at the campsite. Liked all the things that are depicted on the pages.

Print is a bit small and sometimes hard to read on the background.

Love bingo game at the end.
