Born to Serve

Josephine Cox

Born to Serve Josephine Cox

'I can take him away from you any time I want.'

Her mistress's cruel taunt is deeply disturbing to Jenny. But why should Claudia be interested in a servant's sweetheart? Jenny reckons without Claudia's vicious nature; using a wily trick she seduces Frank, who, overcome with shame, departs for a new life in Blackburn. Losing her sweetheart is just the first of many disasters that leave Jenny struggling to cope alone. When Claudia gives birth to Frank's baby girl she cruelly disowns the helpless infant and relies on Jenny to care for little Katie and love her as her own. Always afraid for the beloved child who has come to depend on her, Jenny is constantly called upon to show courage and fortitude to fight for all she holds dear. In her heart she yearns for Frank, believing that one day they must be reunited. When Fate takes a hand, it seems as though Jenny may see her dreams come true.

Michellelouise Harris White says

loved this book from the start ,a tale of how cruel people can be to their own and how wonderful others are to strangers ,loved it

Alex Jo says

It has love,family and heartache. Love the characters easy to read. I really loved it.

Amanda Rees says

Always enjoy Josephine's books for a great old fashioned feel good book. Easy to read and always entertaining.

Margaret Allan says

Good book

I chose this rating not because I disliked the book itself but because of the terrible punctuation and spelling. This put me off somewhat as I kept trying to sort it out in my head and it took me longer than normal to read. Proof readers should be ashamed!

EILEEN SHEPPARD says

Heartwarming

Another great read from this talented author, a book of privilege, servitude and cruelty but in saying that it will keep you reading and find it hard to put down. I gave it 3 stars as in my opinion I thought that the end was rushed. Maybe it's just me wanting more, I don't know but I would recommend it to all.

Mrs Margaret Maher says

Well worth reading

This book is very good it is the kind of story that anyone who is happy with older times and people who lived with a lot of hardship.

Hariza says

very good classic novel

Tracey says

love this one another great book !!

Sharon Reeves says

I always like to read a Josephine Cox book, when I want an easy to read, safe story, that i know I will get into quickly, and I don't have to think much. This was a good read, I enjoyed it.

Wendy says

Jenny, a domestic in the household of the tyrant daughter of the family, has a lot to deal with. The daughter has a child who she abandons and who Jenny raises. Interesting story from the 1920s and early 30s - upstairs, downstairs was still the way things were in the houses of the wealthy.

jacqueline reasons says

Wonderful

Fabulous story , would recommend it . kept me turning the pages. Good read ,put your feet up and enjoy

Rosie Mann says

Definitely worth a look

Loved this book, kept me grip right to the end.
Definitely a fan now and look forward to reading more of this author.

Ladan F says

This is a book that perhaps at a first glance, one might think is just another trashy, romantic novel - but it isn't! It is a heart rendering story and is so well written that you feel so much for Jenny, Katie and Frank. It

has many interesting twists and turns but remains a brilliant story throughout. A definite good read for a long afternoon!

Softwear says

Hopefully you can choke down the healthy dose of horse sense served here.
