The Christmas Rescue Laura Scott

"Don't look!"

When Kayla Wilson finds a body in Lake Michigan, she shields her daughter's eyes and calls the police. But not before spotting a stranger lurking in the woods—watching *her*. And when her bed-and-breakfast is broken into, she knows the man is after her. Coast Guard officer Rafe DeSilva is sure the attacks are related to his current case— a crime ring operating in the Great Lakes. He will do whatever is necessary to keep Kayla and her daughter, Brianna, safe...while holding them at arm's length. Until Brianna is kidnapped, and Rafe puts everything on the line for a Christmas rescue.

Judine Brey says

I appreciate that Kayla and Rafe already knew each other, which made the speed of the romance believable. The plotline was formulaic, but it worked overall.

Judine says

I appreciate that Kayla and Rafe already knew each other, which made the speed of the romance believable. That said, the plotline, while believable, was formulaic.

Kathy Rodgers says

Good read

Toni Nelson says

What a beautiful story... And that is where it ends. This is the first negative review I have ever written. It is quite difficult to read a great story when every page has grammatical errors. No joke! Present and past tenses were used incorrectly, words were spelled incorrectly and even omitted. How sad is that? I would highly recommend this book to any English Professors who would like to instruct their class on the art of "correcting grammar." I would also recommend that the author, Laura Scott find another publishing company. Perhaps the editor had a brain freeze... for a couple of months... ouch!

Kim says

Of course, having Lake Michigan as the scene of the crime helped me want to read this novel. It was good, so long as I skimmed some of the repetitive do I love him or do I not. Plus, I learned a more about the Coast Guard.

Michelle says

After reading "Secret Agent Father," I discovered that this was a related book about two characters mentioned in that book. I loved this book! I thought Rafe was a great example of a hero. I could see chemistry between him and Kayla in the first book and hoped the author would build on that and she did! I liked that Rafe was allowed to be a hero without a lot of flack from Kayla. She humbly accepted his help. Her little girl was adorable. I loved her in the first book as well.

This is the second book I've read from this author, and I do not agree with her Christian perspective. In her opinion, it seems everybody goes to Heaven whether they've trusted in God or not. I saw it in the first book and it was in this second book as well...

The suspense was great. I was happy to see that the book turned out differently then I expected...The romance was also good. Though Rafe had reservations, he eventually gave those up. They both treated their "second chance at romance" maturely without all the "but I don't want to" attitude going on. I really, really liked Rafe!

Alexa Verde says

THE CHRISTMAS RESCUE by Laura Scott is a beautiful Christmas story, filled with faith, hope, and love that are a big part of this wonderful holiday. It is also a book about finding love again while facing danger and hardships.

Kayla Wilson's discovery of a dead body in the lake triggers a domino effect of events. Why is she targeted? What does the intruder look for? The same question is being asked by Rafe DeSilva, a Coast Guard officer who investigates a crime ring operating in the Great Lakes. Not realizing it, Kayla might hold the key evidence to his investigation. Like Kayla, Rafe has lost a spouse, but while his faith helped him survive the tragedy, Kayla did not become a believer. Determined to keep Kayla and Brianna safe, Rafe, however, is not ready for an instant family. But then Brianna is kidnapped, and nothing else matters besides the success of THE CHRISTMAS RESCUE.

Both Kayla and Rafe were first introduced in Ms. Scott's second Love Inspired Suspense, THE SECRET AGENT FATHER, and they truly deserved to find happiness and love they once lost. I love books about second chances. THE CHRISTMAS RESCUE is full of beauty and wonder from the first page to the last.

Stephanie - Adventures Thru Wonderland says

A great Inspirational Suspense short story

Phylis Carpenter says

This is a great romance book with a little bit of suspense thrown in. It was one of those books when you pick it up you just can't put it down.

Kayla and her daughter are walking on the beach and they spot a body floating to the surface. It brings back memories of her losing her husband two years ago. He drowned in a boating accident two years before. As it turns out, it was her husband's partner.

She calls her brother and tells him what happened and he sends his friend Rafe to come and look after her.

Loraine says

SUMMARY: When Kayla Wilson finds a body in Lake Michigan, she shields her daughter's eyes and calls the police. But not before spotting a stranger lurking in the woods—watching her. And when her bed-and-breakfast is broken into, she knows the man is after her. Coast Guard officer Rafe DeSilva is sure the attacks are related to his current case— a crime ring operating in the Great Lakes. He will do whatever is necessary to keep Kayla and her daughter, Brianna, safe...while holding them at arm's length. Until Brianna is kidnapped, and Rafe puts everything on the line for a Christmas rescue.

REVIEW: This love-inspired suspense was filled with action from start to finish. The story is made more complete with faith and romance.

The two main characters, Kayla and Rafe, are both recovering from the wounds of losing spouses. Rafe's faith has brought him through the difficult times and Kayla's 5 year old daughter has been her mainstay. When they are thrown together as Kayla is targeted during an investigation of which Rafe is a part, sparks fly. Rafe is a strong, compassionate, faith-filled young man but isn't sure if he's willing to take on a ready-made family because of his job. Kaya is an independent, caring young woman who is struggling with both faith and finances. Both Kayla and Rafe find God's promise that a 3 strand cord cannot be broken to be the truth for partnership of any kind.

Heather says

A great, easy read. I always enjoy these books.

Christine Mae says

Indeed, Laura Scott is a great story teller.
God bless.

Stephanie says

wonderful reading. you can't put it down. easy reading. can read in one evening. well worth buying and reaing.

Susan says

This love-inspired, suspense, inspirational romance just didn't inspire me. I thought it was boring and predictable. It was clean, though, and the cover is pretty.

AlegnaB † says

[One of the characters comes to a general belief in God, but there wasn't anything about saving faith. (
