Much will be done before saying "I do." Much will run through your mind before walking down the aisle. This is the place to capture, document, and celebrate it all. *The Bride-to-Be Book* is designed to preserve all the magic and excitement leading up to and including the big day: the proposal, the stories behind the ring and the dress, the parties, the toasts and speeches, and all the fun of celebrating with family and friends.

Contemporary yet sentimental, this journal will resonate with modern brides hoping to preserve, reinterpret, or create tradition. You'll find spots for writing and jotting, envelopes for tucking things away, and pages for snapshots and scrapbooking. And you'll see that prompts have intentionally been kept short and sweet (like a flower girl!). Because we get it: harried precedes married.
