The Story of Easter Anonymous

An adorable board book that shows children the original Easter story.

This board book is a wonderful way to introduce young hearts to the miraculous story of the first Easter. Sweet text and adorable illustrations will engage kids as they read along with parents and grandparents. A padded board book is a soft but durable selection for little ones, and kids will enjoy the “carry-me” handle as they take their book on-the-go. The small trim size makes this book a great package to place in a child’s Easter basket!
