When I'm with You: When You Submit Beth Kery

Part 5 in new 8 part serial.

The next serial sensation from Beth Kery, New York Times and USA Today bestselling author of *Because You Are Mine*.

New York Times bestselling author Beth Kery's blistering new novel of a man and woman bound by the scandalous secrets of the past--and by the sexual hunger that still fuels their uncontrollable desires...

Restaurateur and self-exiled heir Lucien Lenault's first look at the breathtaking young chef trainee for his trendy Chicago restaurant is a shock. She's Elise Martin, daughter of a wealthy French fashion designer. She's also the holder of a secret that could explode his carefully laid plans.

Notorious for her flagrant exhibitionism, and for flouting the respectable façade of her aristocratic background, the coquaine's wild streak shocked most people. Not Lucien. He was tempted by it. It was a deliriously punishable offense as far as Lucien was concerned. But taking on Elise is more than a game. She's a catastrophe waiting to happen, an inferno that's burned many a lover. Lucien isn't most men, however, and he won't allow her to manipulate him. In order to control the defiant beauty--in order to see her submit--he's going to have to willingly walk in the flames...

More to come. Don't miss *When I'm With You*, Part II, available 3/12

Dear Reader,

When I'm With You continues the story begun in *Because You Are Mine*, although this time the camera lens is focused on Lucien and Elise, whose undeniable and scorching desire for one another burns away surface facades, revealing secrets that will forever change Lucien, Elise, Ian and Francesca's lives.

Please note that like *Because You Are Mine*, *When I'm With You* will be released in eight parts, each installment debuting weekly.

I hope you enjoy watching Lucien and Elise's romance unfold, seeing Lucien's immense control tried by the irrepressible Elise, while the self-indulgent Elise is challenged sexually and emotionally by Lucien into fulfilling her full potential as a giving, caring and vibrant woman.

Look for more of Ian's and Francesca's love story in *Because We Belong*, out in November of 2013.

Happy Reading!

~Beth

Yep, no one else seems to be as annoyed as me by this series. Ian I got to a point, Lucien....not in the slightest. At least we are starting to get to the knitty gritty of the Lucien vs Ian bit.

When I'm with You: The Complete Novel by Beth Kery

My rating: 4 of 5 stars

4 Sexy Stars

When I'm with You is a light BDSM read with a cooking theme.

Summary

Elise is a rich girl, but she can't tap into her trust fund until she turns twenty-five. She finished cooking school and wants to mentor with a chef. Lucien is rich, owns an exclusive restaurant and has corrupted father. Lucien is a man who knows what he wants and what kind of women he wants in bed. Elise aligns herself with the head chef at Lucien's restaurant. Elise and Lucien have a past since both grew up rich and in the same circle.

Overall

I like Beth Kery books. They are very light, steamy and have touch of BDSM. I liked how Elise and Lucien have a history and it gave the read an extra layer of chemistry. Elise is a very head strong girl. She's grown up rich, is pretty and isn't immune to men giving her attention, yet she never flaunts herself. I liked her story, poor rich girl trying to make it on her own.

Lucian is the typical rich Hero with a chip on his shoulder. Lucian has a past and he's working on something. Elise is intrigued with Lucian's past and has had a crush on Lucian since childhood. Lucian finds Elise very sexy and although he doesn't want to forge a relationship with her, he's more than willing to work out something that will benefit the both of them.

The story is light, in the sense it's a steamy book, meaning the man focus is the steam. There is some light bondage and spanking, but nothing ever goes deeper or darker. Lucian is very closed off, so this adds some tension between the two. I did like getting some back story on Lucian and you slowly uncover his past.

When I'm with You is was an easy read and enjoyable.

Elise and Lucien act more like a couple and grow closer to each other. Hot bought of telephone sex while Lucien is away in Paris.

Aseel says

this one sucks even if we knew why Lucien is Ian's friend

enjoy the good quotes...

? She'd been trying to peel back his distant façade since she was a child, so eager to connect with him. So desperate.

? should have known not to make assumptions about you. I should have reminded myself that you wouldn't make things simple for me."

? I'm angry at myself. I always have prided myself in understanding you—reading you, even when you were acting at your finest. But I failed in this, ma fille. I'm sorry."

? How could he be annoyed and yet touch her so cherishingly?

? I just wanted you so badly," she whispered, her lips brushing against his skin. "You almost got yourself

killed in order to show me,” he said

? “Sorry. I guess I was sort of thinking out loud. I just feel really awake this morning. Good. It’s like I’ve looked at a sunset before, but never really seen it. Have you ever felt that way?”

? How irresistible. It’ll make me feel as if we’re together, knowing you’re hearing me in your mind, even if we are an ocean apart,” he said

? never knew walking out a door could be so difficult until this moment,” he said soberly

? She just looked up at him, her heart in her eyes. He blinked. The next thing she knew, he was kissing the daylights out of her and all rational thought vacated her brain. “Why do you always have to make things so hard, Elise?” he said next to her lips a moment later.

? A strange mixture of feeling rushed through her: embarrassment that she’d made herself so vulnerable, but also gratefulness that he’d recognized how difficult it’d been for her . . .

Hmmm still not completely loving this series but now I'm invested in the characters and the story so have to continue on and find out how it all pans out. Not bad but not great, just okay. Onto the next installment.

I'm so thrilled that this series has managed to keep my attention. Can I also say that I am relieved that the story line is completely different from *Because You Are Mine* series.

Yeah Lucien wants to dominant Elise bring structure into Elise life. But who are we kidding whenever he's near her he loses control.

I couldn't believe that Elsie would think that it would go unnoticed by Lucien that she was a virgin. Any man that in tune with someone would definitely notice something like that.

“Take off your panties and lift your dress to your waist. I’m going to pleasure you, and you will return the favor. It’s going to be quick, out of necessity,”

Wow is it possible for Lucien to make a quickie sound any more sexy. He also takes thing a step further but giving Elise a task that seems to be more like a punishment while he away taking care of business. ?

““And every time you are about to come, I want you to pull the vibrator away and stave off your orgasm. You may apply it again after you have cooled some. When you begin to crest again, you must pull the vibrator away. Picture me telling you that you must.” ?

?“How many times must I do that before I . . . come?” ??

“Until you imagine me giving you permission to climax.“I’m a demanding master, but not a cruel one.

I'm highly enjoying this mini Novella as the chapters keep coming!

I love that Ian and Francesca are in this novella too. I like the relationship between Elise and Lucien. It is rather similar to "Because You are Mine" though... It amazes me that these 2 friends (Ian and Lucien) could both be sexual dominants... But, not unbelievable.

I've tried to hold off reading this until I have all of the volumes but couldn't wait. Tuesday is only a few days away anyways!

A really sexy, steamy, and erotic book. Again as with the first book with all the sex toys and the manner they are used to full fill a couples complete satisfaction. I mean this woman had at least 5 or more orgasms and she still is ready to please her man SOME MORE. I wish I was Elise but with all her stamina and strength plus more. The male character, Lucien is one really gorgeous man with a sexy french accent. He is also a bit of a Superman in bed. All I needed was for the Superman and Superwoman costumes to come off before preceding with all the love making.

Still a really good plot and worth the time. Do not wish to give it away it is a doozie.

I see that this book was at one time broken into novellas. I am glad I am reading this now and not then. I would have been suffering waiting for the next book to be released. I have all three books here with me now

and ready to read and get to the end of the story.

Highly recommended.
