Jodi Cain says

I love how janey goes about getting back at her cheating husband. The scenes are very hot

Raine says

Short, but an ok read.

Jan Wilcox says

Amazing author, sex scenes are hot, hot, hot....even if they are pretty twisted. Such an interesting story line, so different from every other erotic or romance book out there. The true sign of a great author is when you feel everything the heroine feels and can't guess where the story is leading. This is one of those books. It's not for the squeamish though. If you are looking for a sweet romance, this is NOT it. Very dark, erotica, abuse sexual, physical and mental but heroine gets her revenge in the end. I can't say enough about this author and this series.

Sharon Bradley says

[Like he did before in a distance, Henry treasured Janey and continued to make her feel beautiful and desirable. However, as they cross the lines both physically and emotionally, his 'inability' to be intimate with her skin-to-skin showed. It is then that he calls upon for a friend to help him pleas

This was wicked! 4Rose*

I picked this little short up and had a lot of luck. It was very well written. I was drawn in by the characters and the plot. Read this book and thank me later.

Abbie says

I would have just poisoned the husband.

Melissa Mendoza says

Kenneth Johnson says

A wonderful and nasty mind,a woman after my heart.

It was very well written,entertaining sexy as well. Very good story line, Miss Weeks does have a way with words

Boxy Frown says

This was my favorite installment so far. Just when Janey thought her relationship with her husband was getting better, he pulls and almost all nighter away from her. She decides to take things to the next level with her neighbor, and the story really takes off from there.

3.5 stars.

Kathryn Parry says

Again, if you want a complete story then you will need to buy into the series. I have read the first three books and still no end to the finished story.

Kitty says

Neighbors friend

Janey's husband didn't come home until really late. Janey is depressed over her husband's affair. She meets the neighbor at the grocery store when she wasn't her best. She ends up at his house naked but he isn't ready to touch her and calls a friend. Janey meets Malcolm. Hot story!
