The Sheikh's Captive Bride (Surrender to the Sheikh, #7) (Harlequin Presents, #2485) Susan Stephens
Forced to marry...a sheikh!

One passionate night was all it took! Now Lucy is the mother of Sheikh Kahlil's son. If their baby is to inherit the kingdom of Abadan, Kahlil insists that Lucy must marry him!

Lucy is both appalled by the idea of a temporary marriage to the arrogant Sheikh -- and unable to deny her desire to share Kahlil's bed again. But unless she can change Kahlil's mind, after six months, she'll no longer be his captive bride....

From Reader Review The Sheikh's Captive Bride (Surrender to the Sheikh, #7) (Harlequin Presents, #2485) for online ebook

Rachel says

It's a harlequin ... you know what you are reading it for, and for that it delivers ... decently. Nothing original here, same song, same dance, different names. Another cookie cutter romance sure to mildly satisfy. (This is my standard review for these very standard books.)

Tarsis says

No me gusta la forma en la que escribe la autora, es algo como que no te mentalizas que está pasando. y las escenas cuando están juntos, horrible.

Meg Kinch says

I was rather disappointed in this book. The 2 stars is for the ending. I liked it, but I did notice not once did Lucy say to Kahlil that she loved him. She thought about it and he told her he loved her, but she never said she loved him. I know it's implied, but I thought it was an important detail that was left out even if she would have said it in the last sentence.

willaful says

Even I couldn't stomach this assclown of a hero.

Tanya Mayes says

This was a good read. I loved how the book had all these ups and downs. Sex from the beginning talk about chemistry from the start. The drama of the escape. Kahlil is all Sheikh all duty finds love with Lucy. Now they can have the family Lucy dreamed of. My one question is where was the condoms no use of birth control at no time

Umair Sial says

This book took WAY too long to get to the points it was trying to make. Forced myself to read it. Only got into it towards the end. Don't really recommend wasting your time with this.

Tia says

I got real frustrated reading this book. Of course it was good but the way the hero commanded the heroine and tried to take away her son made me want to shoot the man.. well lets say..in his foot *cough, cough* The heroine was strong and beautiful. By the end of the book it was a bit more easy to read.
