The Mansion Hauntings Super Boxset: A Collection Of Riveting Haunted House Mysteries James Hunt , Roger Hayden , Alexandria Clarke

Mystery masterminds James Hunt, author of "The Curse of the House on Cypress Lane," Roger Hayden, author of "The Haunting of Bechdel Mansion," and Alexandria Clarke, author of "The Haunting of Winchester Mansion," whose stories have collectively accumulated 250+ five-star reviews, come together in this SUPER BOX SET for the first time! That's THREE complete book SERIES comprised of NINE NOVELS.

The Curse of The House on Cypress Lane

There sits a large house on Cypress Lane in the small town of Ocoee, Louisiana, and its history is intertwined with the town itself. A feud was born within its walls, and it is there where it will die. The Cooley family finds themselves in the middle of a fight that started long before they arrived. Will they make it out alive, or will they become another casualty in the fight between the living and the dead?

The Haunting of Bechdel Mansion: A Haunted House Mystery

One couple must unearth the secrets of a small-town murder before it's too late.

A young couple from the city move to a small town, looking for a fresh start. They soon find their dream house in an old Victorian mansion and everything seems perfect, that is, until they experience strange supernatural occurrences linked to an unsolved mass murder from forty years ago. Unearthing the secrets buried within the mansion won't be easy. Can they solve the mystery in time, or will they face the same doomed fate as the tenants who came before them?

The Haunting of Winchester Mansion

In the small town of Black Bay, a vacant, forgotten house sits atop an overlooking bluff. When Bailey and Bodhi Taylor move in and begin renovations, the house seems perfect. But things move on their own, screams echo from the basement, and Bailey sees a shadowy figure out of the corner of her eye. Is the house haunted? And if it is, what does the ghost want with Bailey?

Great mysteries books

Hard to put down such good mysteries would make awesome movies. Very compelling to see what next would happen. Great mystery reading.

Martha Best says

Nice

It was a great read. It definitely had a little bit of a twist to it. I would recommend to anyone.

Classic

Book 1-3 had me spellbound, I enjoyed the variation of paranormal stories This is what I call true sci fi entertainment!

AmAtHome says

So, the contents were a little odd at first. There are several versions of some of the stories, after I read the first story and felt like it ended abruptly - possibly for a sequel - I read the next. Some of it was the same as the first, but definitely a different version. So I stopped wondering what the sequence/version was, and just read all the stories.

There are stories by Alexandria Cross, James Hunt, and Roger Hayden. Each story is different, but all center around haunted houses, hence the title. I was a bit concerned that there might be editing issues due to the low price of this boxset, but happily it didn't appear to be an issue.

The stories were well written with descriptions that allowed you to envision the places and events taking place. The 1st set of stories take place in Louisiana and of course there is voodoo and swamp creatures involved. The 2nd stories are centered around the massacre of an entire family and their guests at a fancy party years earlier, and the 3rd stories feature a dysfunctional house flipping couple who help bring justice to a family murdered in a beautiful coastal town on the West Coast.

There was some colorful language, and light sex scenes, but I think horror genre readers will find this group of stories entertaining.

Haunted box set is a gem

All of the stories in this box set were awesome but I think my favorite would have to be the last one, The Winchester Mansion. For those of you who love to read about ghosts and haunted mansions, this box set is for you. Three individual series about ghosts and the paranormal along with innocent people who get caught up in the hauntings and they solve mysteries involving the reasons behind the hauntings. I highly recommend this series to you.

Captivating

When I started this collect, I couldn't put it down!! As I would finish one book, I leaped into thee next.

Kim Taylor says

I have to say that I really enjoyed each of these books, I couldn't put them down!!! I am now a fan of All of these authors.?????

Rita Gallion says

Ohhhhh this is good

Excellent stories. Could not put down. A wonderful set of ghost tales. Recommend to everyone. Each different in its own way. But all spooky.

charlotte j halle says

Hauntingly addictive reading! Truly enjoyed it.

I can believe that these things could truly happen! Started each story and was very difficult to walk away from it. Spooky, scary but believable.

Terri says

Great Set!

Loved these stories, especially the last one! Some were dark and scary, I could hardly put it down. Try this

set of stories, you'll be glad you did!

Phyllis H. Pajka says

If you like haunting books, you'll love this one. It is excellently written and you'll enjoy every minute of it.

Jeanine says

Excellent group of haunted house stories.

Barbara Otto says

Not my mind of book

This made me very uncomfortable. Maybe it seemed too real, and very scary. Not for me !!! I do not recommend this book.
