Betrayed Arnette Lamb

From the *New York Times* bestselling, award-winning author of *Chieftain* comes the third book in the Clan MacKenzie series: “Arnette Lamb’s true genius is that she always leaves you wanting more” (*The Oakland Press*).

Learning that she is not really the daughter of nobleman Lachlan MacKenzie, a distraught Sarah flees to the highlands of eighteenth-century Scotland, where she meets the handsome Michael Elliot and his matchmaking mother.

Menina com Livros says

Boa história! Poderia ser um pouco mais enxuta. Porém, os diálogos foram ótimos! E se eu me apaixonei pelo Lachlan MacKenzie no primeiro livro, neste ele ganhou de vez o meu coração...

Brenda (b) says

Well, I dug deep into the TBR pile and pulled this one out. I vaguely remember reading Lochlan MacKenzie's story (Highland Rogue) many years ago. This is the first in a trilogy about one of his daughters.

I've got mixed feelings about this one. I enjoyed it, but it didn't touch me as much as I like to feel when reading. I can't really put my finger on it, but the characters just didn't feel real to me. Maybe it was just me, but the conversations between Sarah & Michael often confused me by feeling vague and unconnected. I remember thinking at one point, "Oh well if there was anything important in the exchange it'll be mentioned again." I felt that both of them held on to their secrets too long. And Michael's mother, Lady Emily, was sadly flat and frustrating. It left me with no desire to track down and read the stories of the other 2 sisters.
