Patti says

This book is so cute, Hayes listened to me reading it.

Tressa says

One of our favorites!

Dianna says

This book looks polished on the outside, perfectly appealing to my two-year-old fan of Curious George.

I liked it right up until I opened it. There is WAY too much text on each page for a young child, and worse, it's really bad poetry.

Since we own this book, and since my son likes George, I will unfortunately have to read this many more times. Luckily I know how to summarize, and he's not old enough to notice yet.

Amanda says

I like that this story rhymes but it was a tiny bit disjointed.

Bea Charmed says

3.5 stars

Heather says

I read this book to my son and he is only 4 months old but I can already tell he loves this curious little monkey as much as his mommy does

Lisa says

Very cute book; goes through the steps of getting ready for bed. The little guy I was reading to LOVED it.
