There is a wide variety of recipes to suit most any taste and occasion. I have a lot of allergies so I was pleased to find many recipes I could use.

There are a few recipes I wonder why they included. Like cucumber tea sandwiches... which they didn't even mention that if you butter the bread it keeps the bread from getting soggy.

The two other downsides is that there are no pictures, and the recipe names are in a hard to read coral color.

Sherri says

The recipes were easy and doable for the "home chef". Nice compact spiral bound book. Thumbs down on no photos.
