The Miracle

John W. Andrews

The Miracle John W. Andrews

Book 2 in The Outlaw Preacher series. Action packed, collateral damage starts on page one as The Preacher continues to fight constant battles with the outlaws and life in general. Street fighting evangelism and this preacher finds there is no rest for the weary. Evil is a sore loser and it's "On" from page one. Very inspirational.

Angela Rand says

Intrigue

I love this series and can't wait to begin the next book. Insightful and reminds us that it's not the outside that makes a person. Great.

SJ Garrison says

Continued story of Outlaw to Preacher

Wonderful story of how God can take even the baddest dude and turn him into someone he can use for the kingdom. I would recommend this story to everyone.

Sammie Porter says

YHWH initiates, we respond

Having had brain surgeries and experienced miracles, its a tremendous blessing to hear about another. So many people get angry with me because I was blessed in this way, while someone else was not. YHWH does whatever HE chooses to do according to HIS will and HIS plan. So glad to see this truth in print...everyone needs to understand that YHWH is not a genie doing our will. This book illustrates that indeed HE is the initiator. Also loved the "divine appointments" with those in need and the Jewish believer. Hope Irving becomes a regular.

Kile Antone says

This a another great book by John Andrews.

Gary B says

I read this right on the heels of John's first book. The storyline and pace continue straight on. Both are good reads, enjoyable, pacy enough, with reasonable character development.

Mary says

Brilliant

Lana Stanfield says

Riveting

Definitely not a book that you can put down until you finish the last page! Keeps you on the edge of your seat

Shari says

Marvelous

All I can say, is get the whole series. I know God can change the worst of the worst and James is amazing in his faith. Still, the world, and the devil, tries to take us faith. His strength in God is the thing that keeps him from insanity.

Lynn Hallbrooks says

This is a Christian Fiction book.

Mr. Andrews' character, James, became very real to me after reading Outlaw Preacher. So I had to know what happened to him. In 'The Miracle', James discovers that his former Motorcycle Club President aka P has been injured and is in the hospital. He feels that something isn't right about that. He turns to his current P but is told to wait. That's difficult for a person who has ADHD, so you can guess what James did. In order to see how the whole thing unfolds for the Glory of God, you have to read the whole story.

I loved this story and the message that is there for the rest of us, sinners.

Warning: This is for Mature Audiences due to Adult Language and Violence.

Gerry Humes says

I enjoyed it. It reminded me of the book "Zen and the Art of Motorcycle Maintenance"

'.

Yvonne Poston says

Best book I've read

this book has helped me begin to restore my faith, Praise the Lord. I can't wait to start the next book,

Paulette says

This was a real joy to read, we are motorcyclist and live near the San Bernardino area so we could really relate. In my youth I had a time with a Club, now as a Christian life is so different and yet some things seem familiar. Way to go Preacher!!!!

David Bergsland says

This is a really fun read about a more unusual true believer. I loved the book. Outlaw bikers are a unique society. This book portrays them clearly without trying to hide anything.

Anthony Malaschak says

I recently received The Preacher Outlaw-The Miracle, by John W. Andrews, as a prize for winning a sweepstakes on Goodreads. I love to read a good book of Christian values and teaching. This book does not disappoint.

The Outlaw Preacher, our hero in this saga, is an ex outlaw biker who found the Lord as his savior and now belongs to a Christian biker club. He has a combined home, bike shop and church that he lives and preaches the Word in. His heart, and clearly the author's, is for the lost.

Come and ride along with the large, hairy and bearded Nine Ball, now called Preacher, as he rides the highways and biways looking for someone to tell how The Lord Jesus Christ changed a poor outlaw biker and remade him into the Preacher. A very good and heart lifting read.
