Stray Cat Strut Middlemarch Mates, book three. I met a male lion shifter in the pub last night. Not that my father would approve since it reinforces my gay status, but Lucas is incredible. Tall. Golden. Sexy. Our gazes met and we clicked. The evening turned into night. The sex was hot. Intense. Real magic that doesn't happen every day. Hell, it electrified me. By the time the night was over I craved more... I hungered for a future because it's no fun living alone like a stray cat. I'm just like every Middlemarch shifter, gay or not. All I want is love. Leticia's Lovers Middlemarch Mates, Book Seven. Lion shifter Leticia Huntingdon has FIV, the feline version of AIDS. For months she's been in remission, treated by Gavin Finley, the Middlemarch feline doctor. Now the disease has returned. Her feelings for Gavin can't go anywhere because of the FIV, so it shouldn't hurt when Gavin turns to Charlie, the new male cop. Gavin can't believe how good sex is with Charlie, can't believe he's found a mate. The loving is amazing and hot, but Gavin can't forget Leticia. He wants her in his life. He wants Charlie too. Confusion and jealousy create torrid undercurrents for the trio. Charlie McKenzie falls for Gavin quickly and can't understand why he's attracted to Leticia. A nightmare changes everything, drawing the three together and bringing new possibilities. A menage a trois. Raw need and passion brings them closer. If only the disease threatening Leticia's life didn't loom on the horizon...
