HomeSkills: Landscaping: How to Use Plants, Structures & Surfaces to Transform Your Yard Cool Springs Press (Creator)

As part of our comprehensive *HomeSkills* DIY series, *HomeSkills: Landscaping* will make your lawn space the envy of your neighborhood.

Take a quick glance outside your window. What do you see? If it's a sprawling panorama of flawless landscaping design, if it looks uncannily like a postcard, then you're all set! But if, like most of us, your yard is just a bit lacking, then this is your how-to guide to finally achieving the outdoor space you've always wanted. *HomeSkills: Landscaping* offers a complete look at every aspect of landscaping, from early design to project execution. First, you'll gain an overview of the many options at your disposal, exclusively featuring popular DIY products that are readily available and affordable. You'll learn which design effect will best fit your particular home landscape, be it a flagstone patio, a vinyl fence or a healthy row of perfectly situated arbor vitae. And no matter which direction you take, this hardworking book will seamlessly bring you there by covering all the essential landscaping skills, from proper excavation and boulder transportation to planting shrubs and sand-setting interlocking pavers. Patios, walkways, overhead arbors, windbreaks, fences and gates... you'll learn the best techniques for creating all of the beautiful planted and built elements that define any successful home landscape. Best of all, your new space will be cherished by family and friends alike—and the neighbors will quickly forget their jealousy when they're enjoying it alongside you.

Check out our five other *HomeSkills* guides on carpentry, deck building, plumbing, tiling, and wiring.

Could be useful. Sara had acquired via Summit.

Sara Q says

Great step-by-step photos for various hardscaping projects such as building a fence, a retaining wall, garden steps, and garden paths.

Deborah Blanchard says

I love the easy to follow ideas in this book. I love gardening and this gave me some great ideas for my yard and existing gardens.

Ashley says

This is a great book! I love the simple explanations and the easy to follow pictures. I really enjoyed that the publishers put a special note in it for me. I won this book on a Goodreads giveaway and I am so happy that I did. This will really allow my husband and I to add to our home. If they come out with more books on home and yard improvement I will be buying them.
