Midnight Breed Omnibus Lara Adrian

The first four titles in the bestselling Midnight Breed series at a great price.

KISS OF MIDNIGHT: One touch is just the beginning...He watches her from across the crowded dance club, a sensual, black-haired stranger who stirs Gabrielle Maxwell's deepest fantasies. But nothing about this night - or this man - is what it seems. For when Gabrielle witnesses a murder outside the club, reality shifts into something dark and deadly and in that shattering instant she is thrust into a realm she never knew existed - a realm where vampires stalk the shadows and a blood war is set to ignite. Her future inextricably bound up with the black-haired stranger's, Gabrielle will confront an extraordinary destiny of danger, seduction and the darkest pleasures of all...

KISS OF CRIMSON: With one reckless, irresistible kiss, Dante binds Tess to himself for eternity...He comes to her more dead than alive, a huge black-clad stranger mortally wounded and rapidly losing blood. As she struggles to save him, yet Tess Culver is unaware that the man calling himself Dante is no man at all but one of the Breed, vampire warriors engaged in a desperate battle. But in a single erotically-charged moment Tess is plunged into his world - a shifting, shadowed place where bands of Rogue vampires stalk the night, cutting a swathe of terror. Haunted by visions of a dark future, Dante lives and fights like there is no tomorrow. Tess is a complication he does not need - and yet his touch has awakened in her hidden gifts and desires and a hunger she never knew she possessed... and bonded by blood, Dante and Tess must work together to overcome the deadliest of enemies.

MIDNIGHT AWAKENING: He has resisted temptation for centuries - until he meets someone whose heart is as frozen as his...With a dagger in her hand and vengeance on her mind, Elise Chase prowls Boston's streets in search of retribution against the Rogue vampires who took from her everything she cherished. Using her psychic gift she stalks her prey, well aware that the power she possesses is destroying her. She must learn to harness this gift and for that she can turn to only one man - the vampire Tegan. Tegan is no stranger to loss and he knows fury, but when he slays his enemies it is with ice in his veins. He is perfect in his self-control - until Elise seeks his aid. An unholy alliance is forged, one which will plunge them into a tempest of danger, desire, and the darkest passions of the heart...

MIDNIGHT RISING: In a world of shadows and consuming passions, desire is the deadliest weapon...Fuelled by pain and rage over a shattering betrayal, the warrior Rio has pledged his life to the war against the Rogues. He will let nothing stand in his way - least of all a mortal woman who carries a secret power. But now an ancient evil has been awakened and a new darkness is on the rise. For journalist Dylan Alexander, it began in Prague, where suddenly she is at the centre of a gathering storm of violence and secrets. But nothing is as dangerous as the scarred, lethally seductive man who appears from the shadows to plunge her into his world of dark desire and endless night. Very soon Dylan will have to choose: leave Rio's midnight realm, or risk everything for the man who has shown her infinite pleasures of the heart...

Sarah says

this series is awesome, story is great, very interesting world, lots of action, i love that each character is specialized in a weapon or fighter technique etc.
these books you become addicted to I've read 3 in 3days cant put them down, I've cried, laughed and hated at some point through all of them and I've still got to read the rest.
an absolute must read.

Vampire romance

I had my doubts but brought this set as it was a bargain and the reviews seemed ok. I'm glad I did. I'm looking forward to reading the rest of the series and have enjoyed getting to know the characters and back stories as the series has progressed. For someone who's not normally a vampire lover, I've been converted.

I picked this up when it was the 99p kindle deal of the day.

Overall: Pretty meh - it kills time when waiting for the bus. Probably won't pick up any more. As many reviewers have pointed out, this is very like the Black Dagger Brotherhood series. But I feel very meh about that too, but I didn't know that going in! :}

Blergh. Forgot that I had more of this to read until I saw I was still "reading" it on GR. So, I wasn't interested in the ~~vampires~~ *Breed* to carry on. Summary: "OK". Killed a few hours *sigh*.

KISS OF MIDNIGHT: Gives a good intro in the series. The ~~vampires~~ *Breed* are introduced, along with their "mates". Nothing really wrong with it, but I finished this a last week and can't actually remember anything else :P

KISS OF CRIMSON: I think I preferred this heroine. The Hero, on the other hand, approaches epic levels of wangst at various points in the story. Clearly, the best character is Harvard (the furry one. Not the one with sister-in-law issues).

MIDNIGHT AWAKENING:
DNF.

MIDNIGHT RISING:
DNF.
