Angel's Embrace

Charlotte Hubbard

Angel's Embrace Charlotte Hubbard

It was time for Billy Bristol to be married. So why did he feel like he was going to a funeral instead of a wedding as he started walking down the aisle? Everything changed for Billy when a very pregnant young woman interrupted the preacher with the wild claim that she was carrying his long-lost brother's baby and then gave birth to her little girl right there in the church. There was no way Billy could ignore this tiny, innocent angel, and when he looked into her mama's enticing green eyes, he had a hunch it was finally...a time for love.

From Reader Review Angel's Embrace for online ebook

Linda Dickerson says

A wonderful, sweet inspirational novel of God's love...

What an amazing story of God's love and faithfulness for His children!!! I loved all the richness of the people in this enjoyable novel. When you start to read this book, be warned, it's difficult to stop reading.....Each exciting chapter pulls you effortlessly into the next, and you don't want to put the book down!!!

Charlotte Hubbard has managed to paint a beautiful picture of each person and place with her powerful, descriptive words.

I would recommend this novel to anyone who enjoys inspirational, historical romance supported with real Bible scripture references. Prepare to be inspired!!! Enjoy.....

Ingrid says

A very good book. I enjoyed it very much. Draws you in from the beginning and keeps improving as you go along. A lot of things happen in this book, takes you thru all kinds of emotions.

I absolutely love Charlotte Hubbard's Books

Mary Macapulay says

Life

Good reading fills your heart with joy. Renews your soul with quiet fervent love and a gentle urging need to speak the good news to everyone you meet.

Nana says

Betrayed by one twin, but rescued by the other.

The hardships and price paid for the wrong doings of your twin; but angels of all ages and sizes appear to help overcome many obstacles.

marvin shults says

Angels embrace

This story had to come about to finish the Billy And Christine line . Billy grew into a man who could be trusted by his family and friends. Christine grew into a better person than she started out. And Eve also became a more loving and caring person.

Pamela Hastings says

Excellent book and series

I have been reading the series for the last several days. So well written. I feel as though these characters are friends or family whose lives I am sharing through their stories.

Barbara Brand says

Read and smile

Once again a warm well written story that happens to be a sequel. I smiled and cried and smiled again. The story takes it time in the telling and is never boring. The points of reference to the first book are subtle, and well done. This book can stand on its own, but the reader would miss a wonderful story. Faith and endurance, unconditional love and acceptance abound in the gifts this story portrays. I loved every word and feel uplifted. Thank you Miss Hubbard, you are a gifted writer.

Lori says

Lovely!!

This was a wonderful book. Continued to follow Mercy's Patchwork Family! I love the true love of God and Family that this amazing family has. Charlotte Hubbard is now one of my Favorite Authors!

barbara erwin says

Wonderfully written.

A great story. Loved the characters. A clean love story. This was the third book in the series. I would recommend them all. Will read the fourth one soon.

Joyce Baker says

The 3rd book I've read.

Charlotte is Good story teller but some times repeats what she has written. Enjoyed these books enough that I will read the next 2 of the series.

Kathi Wason says

Angela's Embrace Angels of Mercy

Delightful! Wonderful! Love at its very best. Joy overcomes evil and the story continues. Loved reading every sentence, couldn't wait for the end but hated seeing it end. Oh well on to book four!?

Stacey Downs Smith says

Brautiful!

So glad Billy didn't marry that snothead Emma! A beautiful story as always, I love Mrs. Charlotte's books!!! About to read the 4th book!

"J" Infusino says

Angels indeed

This book has angels in it some human & some spiritual. God has a way of putting us where we need to be we if only we will stop & hear him. God speaks thru many mediums; the Bible, a child speaking, someone's dreams or an old persons wisdom of living a christian life.

I enjoyed reading this book with all of its twist & turns. Thank you for this book & I look forward to reading the next book in this series. I would recommend this to anyone young or old.

hosking,theresa says

Another great book

Another great book to continue the family s story hope it continues..would love to hear how the whole family continues.

Michelle says

Hope

A must read to the end! Enjoyed the beautiful weaving of life lessons with the promises of faith and mercy. One of my favorites by Charlotte Hubbard.
