Deena says

Oh my stars.

So many twists and turns!!! I couldn't put it down and wanted to cry in frustration at where it ended. I need more and soon please!!!

I Never Saw That Coming!

Wow, just wow! Lacey has a way of telling stories that take you on a journey with her characters. I can honestly say I never saw any of that coming! Please don't make me suffer too long before Crypt is released!

S D W says

Good

I loved the first book. The characters seem to change in this book. I don't like having to choose. I'm hoping it will change in the next book. The plot is interesting.
