RaeAnne Thayne , Allison Leigh

Safe in Your Arms: The Quiet Storm\A Weaver Beginning RaeAnne Thayne , Allison Leigh
Revisit these two classic romances from New York Times bestselling authors RaeAnne Thayne and Allison Leigh!

A Quiet Storm

Heart-stoppingly handsome detective Beau Riley might have left Elizabeth Quinn tongue-tied, but she needs the good detective to solve a murder that's affected the beloved little boy in her care. So speak with him she must. If only she was sure her traitorous heart would leave it at that....

A Weaver Beginning

There was no doubt in Abby Marcum's mind that Sloan McCray is the guy for her. Though she'd moved to Weaver, Wyoming to make a better life for her little brother, she sees her future with the small town deputy. Now she has to convince the man who felt unworthy of love that she and her heart were his for the asking.

Jo (Mixed Book Bag) says

I liked both of the novels published in this two for one issue. Thane's is an early release that was very well written with great characters. Beau Riley and Elizabeth Quinn have a history that leaves Beau cold when Elizabeth comes asking for help. It was fun to see each learn to like and then love the other.

In A Weaver Beginning Abby Marcum's and Sloan McCray have a difficult past and Sloan has trouble seeing past what he thinks are his failures. Add a cute kid and you have a nice story. I did think that the ending was the weak point in the story but still enjoyed seeing the Weaver clan.

I received a free copy of the book in return for an honest review.

Debbie says

I liked part of this book. The story by RaeAnne Thayne was good. The second story did not hold my interest. It was a quick read.

Ann says

This is two books in one. RaeAnne Thayne's The Quiet Storm and Allison Leigh's A Weaver Beginning. Both are good love stories with Alpha males who help their ladies and vice versa. Both have characters from the author's previous books but they stand alone well. Both are enjoyable reads. I automatically pick up anything RaeAnne Thayne writes, finding a book by Allison Leigh was a bonus.

Patty Champion says

There are 2 books in this title. I thought the 1st book a quiet storm was rather slow and it didn't get real good until the end. The 2nd book a Weaver beginning was very good. It held my attention to the very end and I was disappointed to have it end.

Thank you netgalley and Harlequin for allowing me to read this title for an honest review.

RiriRomantiques says

I definitely like RaeAnne Thayne's style. She writes stories that are sweet and tough as well. 2 books in 1 and 2 cute novellas.

Review featured at www.books-n-kisses.com

3.75 Hearts This is two different stories by two different authors and both are a re-release.

I will talk about the second story first. I have never read anything from this author before. The story was good but the ending was a little bit of a let down. I won't be jumping to pick up a book by Leigh but if another double book comes up I would be fine with reading her story.

Now about A Quiet Storm. I am a fan of Thayne's and read any new releases that come out. You can tell this was an early writing from Thayne as she has grown so much in her writing but the story is well written and the characters are fun to read. I enjoyed their connection.

Disclaimer:

I received a complimentary copy of the book in exchange for an honest review.

Ionia says

Two books in one--always a lovely idea. I enjoyed both of these stories, but liked the first one slightly better than the second because I wasn't thrilled with the ending of the second one. I thought they both had their own sort of charm though and plenty of chemistry between the characters. it was good to read an earlier Thayne book as well, since all I've read is her more recent ones.

I always enjoy romance books where the characters have personality conflicts to overcome in the beginning and this had that. The men were strong and yet still romantic and understanding and these books highlighted the attraction portion of the relationship as much as the progression to something more serious. That was a nice change from so many where there seems to be no development.

I'd definitely recommend this book to anyone who likes charming men and tough ladies. Great romance and plenty to read.

This review is based on a complimentary copy from the publisher, provided through Netgalley. All opinions are my own.

charmaine White says

Really,Really Great

I enjoyed both of these stories.They just ended to soon,and left me wanting more.Can't wait for the next book,will be getting it soon.
