Court of Lions Somaiya Daud

After being swept up into the brutal Vathek court, Amani, the ordinary girl forced to serve as the half-Vathek princess's body double, has been forced into complete isolation. The cruel but complex princess, Maram, with whom Amani had cultivated a tenuous friendship, discovered Amani's connection to the rebellion and has cornered her into silence, and if Amani crosses Maram once more, she will be revealed to everyone in the court.

Amani is desperate to continue helping the rebellion, to fight for her people's freedom. But she must make a devastating decision: will she continue to aid them, and put her family—and herself—in mortal danger? And can she remain separated, forever, from Maram's fiancé, Idris, with whom she shares a dangerous attraction?
