This six volumes edition covers the women's suffrage movement from 1848 to 1922. Originally envisioned as a modest publication that would take only four months to write, it evolved into a work of more than 5700 pages written over a period of 41 years and was completed in 1922, long after the deaths of its visionary authors and editors, Elizabeth Cady Stanton and Susan B. Anthony. However, realizing that the project was unlikely to make a profit, Anthony had already bought the rights from the other authors. As a sole owner, she published the books herself and donated many copies to libraries and people of influence.

Elizabeth Cady Stanton (1815–1902) was an American suffragist, social activist, abolitionist, and leading figure of the early women's rights movement.

Susan B. Anthony (1820–1906) was an American suffragist, social reformer and women's rights activist.

Harriot Stanton Blatch (1856-1940) was a suffragist and daughter of Elizabeth Stanton.

Matilda Gage (1826–1898) was a suffragist, a Native American rights activist and an abolitionist.

Ida H. Harper (1851–1931) was a prominent figure in the United States women's suffrage movement. She was an American author, journalist and biographer of Susan B. Anthony.
