Pugsley Ellen Miles

Welcome to the Puppy Place! This Little Apple series stars a lovable new puppy in every book! And it's Charles and Lizzie Peterson's job to find every puppy the perfect home!

Lizzie and Charles Peterson love puppies. Even though they finally have their very own puppy, Buddy, Lizzie still can't get enough time with dogs. She helps her Aunt Amanda at her doggie day care center as often as she can.

At the doggie day care, Lizzie meets a pesky but lovable pug named Pugsley. Pugsley is adorable, but he didn't earn the nickname Mr. Pest for nothing and his owners decide he's too much of a handful to keep! Will Lizzie figure out how to get Pugsley to behave and find him a forever home?

Kristine Hansen says

Pugsley has got to be the cutest puppy around. The more I read this book, the more I smiled thinking of all the messes this puppy got into. How enjoyable! Kids who love dogs will latch right onto this one!

I wish the human characters were a little more real. While I enjoyed Lizzie's family a great deal, the doggie daycare just was a little too much to take seriously. While I know such places exist for dogs whose owners are at work all day, the idea of them having parties and crafts and all the rest is just too silly to believe. And campouts with other people's dogs? *shakes head* OK, but the idea is cute and the story is meant for kids, so it can't be taken too seriously.

And besides. Pugsley was really cute.

Erika says

lizzies family are major animal lovers. they take in dogs til the dogs find a good home. she was working at her aunts doggie daycare when she met the dog named pugsley. pugsleys owners gave him up and lizzie wants to take in the dog. this book was kinda lame(:

Charlee Jackson says

This was an AWESOME book!!! I liked this book because there was a VERY cute puppy named pugsley (shown on cover) And a girl named Lizzie and her family is a foster family for dogs. pugsley is small and cute:) but is a trouble maker. this was a long soothing book with laughs,cuties,etc.

Jenny U says

The fact that I bought this book I think proves that I will buy anything with a pug on it, Good book for children on how to take care of a pet, but I wouldn't recommend for the kids at the elementary school I work at.

Abigail Cieslak says

Really energetic pup

Marita says

Publisher: Scholastic, p2007, c2007

Original ISBN-13: 978-0-545-03455-5

Genre: Fiction, Dogs Fiction

Interest Level: 3-6

Reading Level: 3.7

Part of the Puppy Place Series. Lizzie works at her aunts doggie day care. A very energetic pug runs the risk of being given to the local humane society if his behavior does not improve. Lizzie tries taking Pugsley on as a foster dog to see what she can do to help his behavior.

1st graders seem to love these.

Ellen Miles lives in Montpelier and is open to visiting classes.

Sadhbh says

I remember crying after reading this.

Keith S says

I love this book because the dogs name is pugsley and I have a dog named pugsley. This book would be perfect for 5th graders who enjoy a dog named pugsley. If you liked the Hunger Games series then you'll love this book because it has dogs and it has a lot of love and care. In the end they give pugsley to the owner of the doggie daycare.

Denise says

Okay, so it's not great literature, but I liked it. Just goes to show that interest and background knowledge make all the difference. This book kinda makes me want to quit teaching and start up a doggie daycare, or at the very least, go out and buy another pug! I wonder what Sydney would think of that?

Karen says

Beth brought this home from school as she's read a few in the series but I had to read this one because those adorable puppies eyes on the front made me. I had it done in about an hour and now I want another pug puppy.

Kathy says

This is the second of this series I've read to my daughter. Such cute books and I even enjoy them myself! The series is about a family who fosters dogs who need homes but need a bit of help in training etc before a good

home is found. This little Pug will melt your heart, such a little naughty thing its hard to believe he was trainable. The new "forever home" was a pleasant surprise!

Steve says

This book was alright. Maybe it's because I have a weakness for pugs or maybe not. I definitely prefer it to Goldie. It was quite easy to read and certainly not very entertaining but I sort of liked it.

Kyleigh Larson says

This is Kyleigh.

Pugsley is a great book it's about a girl named Lizzie that finds a pug named Pugsley at her Aunt Amanda's puppy day care.

Character Trait- Worried because she thinks she won't be able to go to Camp Bowser.

I think the most important event is when she went to Camp Bowser and Pugsley's behavior improved.

I recommend this book for anyone who likes puppies.

Rebecca McNutt says

I'm sorry, but the title *Pugsley* just made this particular character pop into my head the whole time I was reading:

Anyway, I won a copy of this book through some school thing, but I thought I was too old for it so after I read it, I donated it to the library. I know it's just a kids' book but I found it criminally unrealistic. Most notably the fact that the main characters live and breathe dogs. "Doggie (is that even a real word?) day care", "puppy love" and all those god-awful sorts of phrases dominate the story. The kids spend all their free time with dogs. Do they have any hobbies besides hanging out with dogs? *Anything*? Photography, basketball, drawing, stamp collecting, robbing banks... anything? It was just dogs constantly, which made this a very boring and predictable novel.

Christie Ferdinand says

this book is very interesting and it is a nice book and it is about a puppy dog named pugsley and he is very bad and does not listen to his owner's and he also goes to a puppy day care that a women named amanda and her niece own's her neiec works at the day care every wensday and she likes puggsley a lot but he is a very bad dog and is very misbehaved and does not listen so they call him mr. pest because he is a pest to every one even though he is a pest aunt amanda and her niece still cares for him. one day puggsleys owner came and said that puggsley will not be going to the day care anymore beacuse he is going to a sheletr because they can not handle him.. So aunt amandas niece had liked puggsley so much that she asked her mother to

adopt him and then after a couple of days pugsley started to miss behave and aunt amandas nieces mom started to get annoyed by puggsley and she could not wait until wensday when he goes back to the day care.... this book is very interesting and i wounder what happenes next
