The Smurfs Christmas (The Smurfs Graphic Novels) Peyo

A magical collection of Christmas tales to light up the coldest winter nights, from one of the greatest storytellers of our time.

There's no peace on earth when Christmas comes to the Smurfs Village, at least not while Gargamel is lurking about! In this special collection of frosty fun and frolic, before The Smurfs can stuff their stockings and open their presents, they have to deal with dragons, talking snowmen, grumpy bears, a kidnapped Santa Claus, and a reindeer chase through the starry night sky! It's a race to save Christmas in this smurfy Holiday treasure for the whole family.

Nicolas says

Decent collection of Smurf Christmas/Winter tales. The story about Gargamel and the Ogre was an odd one to include. It had nothing to do with either the holidays or snow. This was the first thing I've read or seen that included Sassette. I always thought Smurfette was the lone girl.

Nicola Mansfield says

I used to read Smurfs when I was a kid and haven't read one in ages. I'd forgotten how much I enjoyed them. This brought back all the memories and I quite enjoyed this Christmas outing with the little blue critters. Altogether there are 5 short stories here with only the first and the last being Christmas themed, two others take place in winter and the other is odd-man out just being a random story. They are all cute funny stories though and starting and ending with Christmas brings the seasonal air to the book without overdosing on Santa stories. Gargamel though often the villain in this series is not the only bad guy which is refreshing. In one story both he and the smurfs are terrorized by an ogre and in another a hunter is the bad guy. The final story has a feel good "peace on earth" theme making for a satisfying end.

Erik This Kid Reviews Books says

When Gargamel (who has been very bad, as normal) is ordered to deliver the Smurfs' Christmas presents to their tree (where Santa usually hangs their presents) outside of the forest by Santa, or else Gargamel will be turned into a worm, the Smurfs find some kindness in their hearts to bring Gargamel, their supreme enemy, some presents themselves!

This is a very cute Papercutz Smurf Graphic Novel. I like the other comics (bonus adventures) in it too, at the back. The snowman one was nice. :) The Smurfs are always good for a quick, funny read on a sunny or a rainy day! I think reluctant readers will love this Graphic Novel series!
