“I can feel the evil seeping through my skin from every direction as my body consumes all of it. I can feel the hatred, pain and sorrow running through my veins as if it’s a part of me, as if I’m connected to the evil, drawn to it.” ~ Lindsay

Lindsay’s destiny continues in this ravishingly twisted third installment to the “Fallen Desire” series. When she’s tested by the powers of black magic she will find out who her true friends are. A new fallen angel, Luke, shows her a way of using the darkness to her advantage.

Will the dark magic consume her? Or will Lindsay remain in control?

Lucifer has known this day will come and is more than prepared. It is ordained that on the eighteenth birthday of the Redeemer she will embrace her true powers and stand by his side in the battle against the fallen.

Lindsay knows he’s coming and that he will be ready for her. She gathers all of the witches and fallen angels that are willing to stand and fight, but she could never have prepared for what she will be faced with. Ethan does all he can to keep the fear of the hellhounds away but it’s a new friend that helps Lindsay kill the hounds that haunt her dreams. The anticipation of the coming battle has Lindsay questioning herself more than ever and she may end up trusting those she shouldn’t. Unknown love and friendships ignite while true love is tested.

Will her love for Ethan stay strong? Will Lindsay be able to stand up to Lucifer or will she embrace the evil that lurks inside her?

N.L. Echeverria says

Available for Pre-order on amazon! Release date 10.5.14

"Luke seems to be my only way out of this mess. He is the only one who's know my truth and the one who hides his own secrets. We are in so many ways the same and as much as he frightens me and as much as I refuse to trust him, it is those similarities between us that drive me back to him."

~ Lindsay ~ Risen, book three of Fallen Desire Series

Julie says

Wow! I don't now what to say about this book with out giving any thing away. But what I can say is that once I started reading it I could not put it down, Risen is a fantastic read.

I've read every book in the Fallen Desire series and I have to say that every book has got better as the series has progressed.

Lindsay is continuing to discover her powers and Ethan is still by her side helping her, and pledges to continue too be with her with the witches and fallen angels they've asked for help to stand against Lucifer. But he can't help her when she is plagued with dreams of a stranger named Luke. When she meets Luke in person, (who is a fallen angel) he shows her ways to use Dark Magic, explaining to her that they are her destiny.

Is she strong enough to resist the dark ways? Can she hold on to her control and do what she's been trying to do? Is she strong enough to fight Lucifer.?

The bad guy is pretty easy to figure out but it didn't spoil my enjoyment of the novel, I loved every page, the story will still keep you guessing right to the end and still keep you on the edge of your seat. Lindsay has definitely matured in this book and I can't wait to see what the 4th book in the series New World has in store. 5/5

Mindy Spent says

Amazing! Great read! This series gets better and better. I can't wait for the next book!

Kelly Hawkins Solomon says

The fight between Good and Evil continue.

"The difference between Good and Evil is based on one's perception. At times when faced with Evil you realize it's really light finding its way through all the darkness."

Lindsay is continuing to redeem fallen angels. She feels this impending doom coming upon them and is not sure she is ready to fight against Evil. Her friends are continuing to help her along this incredible journey. We meet a new character in this book named Luke. He has been visiting Lindsay in her dreams and helping to keep the nightmares at bay. She doesn't know what to make of Luke and is not sure if she should trust him when he really visits her. She has an amazing amount of power and is faced with a hard decision to save herself and her friends. She is forced to go to a place she doesn't agree with and is constantly struggling with Good and Evil.

"No matter how much a person hurts you we still remember the good."

"God may give us free will, but our destinies determine our true love. We cannot fight against the destiny of love."

"I'm not evil just misunderstood by many."

We experience a wide array of emotions. Being happy, in love, loss, and sorrow....the author wrote a beautiful story with great detail. You really feel like you are in the middle of the story. Everyone will relate to at least one of the characters. The Fallen Desire series is amazing. I cannot wait for book four!
