Patricia McCowan says

Very easy and simple book but cute for little kiddos. Elmo gets a Valentine and tries to figure out who sent it to him, but it ends up being from his mom. The cute thing about this book is that Elmo is funny so there is kind of an incentive for kids reading because they get to feel Elmo on each page.

Beth says

Grover delivers a Valentine to Elmo, but he is not sure who it is from.

Regina L says

The second of my Elmo books in this list, but this one is a touch-and-feel board book. Elmo has received a Valentine in the mail from a secret admirer and he goes all over Sesame Street to try and find out who it is from. This book is perfect for smaller children because of the touch-and-feel, fuzzy parts of every page. They will be engaged by the friendly faces of everyone's favorite monsters and the fuzzy pages. Meg McGregor says

Little ones who love Elmo, (and who doesn't) will love this book!

Elmo has received a beautiful, red, fuzzy Valentine, but it is not signed!

Elmo asks all his friends who could have given him such a wonderful Valentine surprise!

Will your little reader be able to figure out the mysterious Valentine sender?

The red fuzzy Elmo on each page, is an extra nice surprise; your little ones will be eager to feel how fuzzy Elmo is!

Amanda Allen says

Cute ish. Elmo tries to find who gave him the unsigned valentine. On the way, meet fun Sesame Street friends.

Angie says

Synopsis: *"It's Valentine's Day and Elmo's received an anonymous valentine. Who could have sent it? He checks with all of his friends and finds the answer right back where he started looking-at home! Kids will love touching the fuzzy flocking on every spread!"*

My Review: This was such a perfect gift for Munchkin on Valentine's Day. Munchkin loves Elmo and also seeks out several of the other Sesame Street characters that we encounter in this book. The book is a little advanced for him (and I may have to give up on Sesame Street books for him until he gets a little older) but the touch and feel fuzzy Elmo on each page kept his interest so I could get through the reading. I do love the message in the story and look forward to Munchkin reading it more in the future.
