Torchworked Marbles Drew Fritts

With **456 pages** and **over 300 illustrations**, *Torchworked Marbles* is a very complete guide to making your own glass marbles. The first half of the book is all about the equipment, supplies, setup and basic techniques involved in the art of marble making. The second half of the book consists of **twenty step-by-step, illustrated lessons**, ranging from simply making a solid color mable to several high-intermediate designs.
