Christmas With You

Sheila O'Flanagan

Christmas With You Sheila O'Flanagan

Christmas With You was previously published as *A Season to Remember*. Now with two poignant new stories added.

Tucked away in the Irish countryside, the Sugar Loaf Lodge is opening its door for the festive season. With snow falling on the mountains outside and warm fires roaring inside, it's the perfect place for guests to celebrate the happiest time of the year. But what if you've just had your heart broken? Or discovered that the man you're married to has lied to you? What if a secret from your past has finally come back to haunt you?

For some of the guests arriving at the Sugar Loaf Lodge, Christmas is looking far from tranquil. But can they find the magic and romance of the season within the walls of this beautiful hotel?

Damelapin says

No disappointment with sheila!

Lorraine says

I'm a big fan of Sheilas books and this one was a lovely feel good Christmas story.. Really enjoyed it

Elizabeth says

I always like Sheila O'Flanagan's books. This was no exception!

The hotel is set amongst the hills and valleys in Wicklow, Ireland.

The story involves many guests who for one reason or another have chosen to get away from their traditional homely Christmases.

I loved how each character came to life and we learned of their troubles and hopes which needed sorting. Sheila does this beautifully and I love this book and highly recommend it.

Carly says

A truly heart warming collection of festive stories that will make you want to cosy up and read.

I loved how each chapter focused on different characters yet the other characters somehow appeared in the stories of the others.

I could vividly imagine The Sugar Loaf Lodge And it's surroundings. I would love to spend a Christmas in a place like this.

Irina says

I normally love Sheila O'Flanagan's books but I've got mixed feelings about this one. On one hand, I liked the idea of having a set of short stories united by the time and place of action where each room tells a different story. And I absolutely love how the characters intertwined and how it all rounded neatly at the end of the book. On the other hand, reading those stories made me extremely sad. I realize there supposed to be a hint of happy end in each of them, some strong hope for better tomorrow, yet to me it wasn't uplifting at all so I could not catch a festive spirit from my reading. Which is a bit of disappointment as I expected to feel all Christmassy with this book. To be fair, I didn't feel THAT sad after I finished the book, it just the whole thing didn't quite meet my expectations.

Lynn Richmond says

Comforting Read

I really enjoyed reading about all the People who visited Sugar Loaf Lodge for their Christmas. Christmas can be a stressful time and the people came to the Hotel definitely enjoyed themselves, no Cooking or In-Laws to worry about.

I'll be looking at more of Sheila's books in the future.

C A Bringloe says

A soppy read

Although I enjoyed this book it was very nice and cringeworthy with all the characters and their stories. I don't i will read any more of her books

Mrs Jane MacKerron says

Feel good, gentle book

This was very easy to read, lots of memorable characters. A real feel good book that left me with a warm, cosy feeling, thank you

Pete Harmes says

I found it very disappointing. Reading 3 Christmassy books was my plan. It was to end with what I hoped would be the most beautiful. I guessed and I was wrong. I placed it somewhere between maudlin and depressing. Never given Sheila O'Flanagan such a poor rating.

Jane Meagher says

A light lazy Christmas read. Some nice short stories but nothing too memorable and a bit too sentimental for my taste.
