Some of the world's best manga creators join together to bring the world of Warcraft to life as never before! Between these covers lie tales of adventure, treachery, humor and bravery. Told from both Alliance and Horde point of view, these stories have entertained the likes of travelers, soldiers and thieves in taverns, inns and camps all throughout Azeroth. They have endured the trials of time and have earned the title of legend. Whether this is your first journey into Azeroth, or merely the latest in a long line of visits, this collection will not soon be forgotten!

From Reader Review Warcraft Legends, Volume 4 for online ebook

Christina says

This and vol 5 are two of my favourites purely for Draka's story. We don't learn much about Thrall's family and to have the comic touching on how much his mother worked to be considered equal among their clan in Nagrand gives me 'all the feels'.

This volume also marks the end of Trag's story in Fate which was an epic I loved.

Marija Rimac says

Would've given it 5 starts if the Blood Runs Thicker story wasn't so boring. Absolutely loved the other ones, especially Bloodsail Buccaneers.

I just can't get over how *exhausting* it was to read Blood Runs Thicker.

Dbgirl says

Better than the previous one. My favourites were Bloodsail Buccaneers and Draka's stories.

Charlie Devlin says

Good stories and a cool dark twist to the Darkmoon Faire characters.
