The Fire of Friendship Elizabeth Lenhard , Various

Will, Irma, Taranee, Cornelia, and Hay Lin (W.i.t.c.h.) are five ordinary friends with an extraordinary secret: they each have the power to control a natural element-air, water, fire, earth, and finally, the mysterious "Heart of Candracar." The girls use their powers to guard against evil and to uncover the truth behind mysterious portals leading to other worlds. Between school, family, and a new interest in boys, these girls had enough to worry about! But now they have the secret to turn into a group of friends with special powers . . . destined to fight the evil Prince Phobos in the magic world of Metamoor. W.i.t.c.h. combines fashion and fantasy, magic and middle school, heroism and humor, friendship and family, teamwork and transformation, in a wholesome mix proven to charm the tween girl market. Introducing a hybrid format that combines four-color comics with a traditional chapter book format.

Becky says

I love this series! I hate the t.v show, but the books/comics are fabulous. I have up to book 16 of this series

Siobhan says

Ah, W.I.T.C.H. So much of my childhood was spend obsessing over the series. The books. The comics. The cartoon. The merchandise. You name it I was into it.

So why only the three stars if I loved it so much?

Well as time went by, I grew disinterested in the series. I went along with it mainly to see how it ended. I simply wanted to know what the final outcome was.

Surely that is not enough to merit three stars? You loved it!

I did, but that was because I was a pre-teen with very low expectations. This came before my vampire-loving period, so you can imagine what my standard was like. Don't get me wrong, they're not bad books – they're simply not something I can go back to now that I'm older.

Thoroughly enjoyable at the time, but not quite so much now.

Christine says

I kind of read these books out of order, so I kind of had no idea what was happening at the time anyways.

Shylekamcquay says

it was ok but they shoundn't let anything get detween they friengship

Lauren says

I loved this series! All of the different girls had their own individual personalities that made the series more enjoyable to read. Also, of course the cool magical powers was a plus. I loved the character relationships and adventures the girls got themselves into.

Sarah says

As an early one of the books I love how the girls are beginning to work together although they have little choice in this matter.

Kirthi says

i'd rate it a 3.5 :]

Rose Dawson says

Moje d?tství ve sv?t? Witch.Na tyhle strážkyn? nezapomenu,provázeli m? celým d?tstvím a já jsem do nich byla úpln? "zažraná". Will, Irma, Taranee, Cornelia a Hay Lin, všechny jsem je milovala. Nesmím zapomenout ani na Elyon,i když ud?lala pár nesprávných rozhodnutí,samoz?ejm? i další d?ležit? postavy : V?štce, Caleba, Joela, Orube, Cedrika, Matta, Luka, Erica, babi?ku Hay Lin.... Rozhodn? to byla má nejoblíben?jší d?tská série,at už komixy nebo seriál.Doporu?uji všem mladým sle?nám. ;)

Mirabelle says

What's cool? This book! It really explains how important it is to have understanding, communication, and trust with your friends. I love each and every one of the WITCH girls even though they're fictional -- that's how rad I think Elizabeth Lenhard is!

Sara Hussein says

???? ????? ?? ?? ?????? :)

Sella Malin says

I used to like these series. Now, I don't think they're so good anymore. I got up to number 12 or something like that, and they've gone up to #26 or something... and they're still coming out!! I'm not really interested into them anymore, but I used to be.
