Set

on the breathtaking Hawaiian island of Kauai, the Aloha Reef Collection provides an intoxicating mix of romance and suspense with the rhythms of island life from *USA Today* bestselling author COLLEEN COBLE—now available in one volume!

Distant Echoes

It seems like paradise,
but dark secrets lurk just below the surface.

When a tragic accident
downs a tourist boat off the coast of Hawaii, dolphin researcher Kaia Oana is one of the first in the water, risking her own life to try and save others. She's enlisted to help the US Navy find out what really happened—utilizing her specially trained dolphins to help.

Kaia and Lieutenant

Commander Jesse Matthews team up in the investigation—but as they edge closer to the truth about the incident, their own lives are threatened. Will a spirit of grace and forgiveness prevail or will it be overshadowed by the distant echoes of past pain and the imminent danger from a cold-blooded killer?

Black Sands

As a volcano on Hawaii
begins to rumble, family crisis brings an unlikely couple together.

Annie's the brainy type,
quietly assisting her father in his volcano research. She's always admired her brother's friend Mano for his outgoing athletic ways, but her devotion turns to disdain after Mano's mistake results in her older brother's untimely death.

Mano's mistake haunts him.
It cost his best friend's life. But just as he's bringing Tomi's belongings to his family, Mano discovers Tomi is alive—and in serious danger. That danger threatens to spill over to the rest of the family.

Annie and Mano join forces
to discover the source of the threat against the family, even as a long-inactive volcano rumbles in the distance.

*Dangerous
Depths*

Sometimes life's most
precious treasure lies at Dangerous Depths.

Leia ditched a promising
medical career to settle on a secluded island in Hawaii. Her ex-fiancé Bane has
come to the island to find out why.

When an act of sabotage
pushes Bane closer to Leia, they are plunged into a tangle of emotion and
peril—just as a series of threatening natural events grip the island.

*Midnight
Sea*

Losing her sight turns
Lani's world upside down, bringing danger, mystery . . . and unexpected
romance.

A seemingly random shooting
at her aunt's coffee farm has left Lani Tagama blind. Now she must learn to
navigate in a world of darkness. With the help of an ex-cop named Ben and a
half-trained guide dog, Lani begins to regain her former independence.

Then Lani and Ben discover
that her injury wasn't caused by a random shooting. It was a botched murder
attempt. They must work together to discover the identity of the would-be murderer
before he strikes again.

*Holy
Night*

One sinister phone call
has derailed their wedding. Will they let it tear them apart forever?

A Christmas wedding on the
beach—what could be more perfect? Poinsettias and fragrant pikake blossoms,
soft sand and mistletoe, the gentle sound of the surf and the wedding march
played on a ukulele.

Already ordered another by Colleen. Looking to read all of hers. Clean and very well written. It has real people with real life problems.

Good Read

Great culture included, woven seamlessly throughout the books. Characters believable and easily cared about. Also, a good balance between tension and romance.

A nice collection of characters and a beautiful setting for this romantic suspense series.

A nice collection of characters and a beautiful setting for this romantic suspense series. Interesting plots along with learning about a new (to me) locale and history.

I really enjoyed this series!

I read it because I am going to Hawaii this year (2015). The stories definitely gave me some education in Hawaiian language, food and culture.

The first 4 books were entertaining, creative stories. I loved the connections in each story to previous characters. Each story had a romance that started out with some resistance (sexual tension) and the mysteries were intelligently researched and kept the books moving.

Negatives: the last book felt like a repeat of book 3. The religious aspects were also somewhat on the legalistic side rather than the spiritual/relational.

Overall though, a fun read!
