I recieved a copy of this book from the author in exchange for an honest review

Oh my wow!! I loved this book!! I have to admit Billy caught my interest in Angel of Darkness so I was glad to see he was back in this short!! I've said it before but I love the chemistry between Zander & Christian.. that hasn't changed!!

Tyler May makes you feel like once again you are back in their world and I love it!

Billy is a wonderful character! He is the type of friend you would alway want around you. The bond between Billy, Christian & Zander is unmistakeable!

Loved this book!! Great great!!

So if you haven't started reading this series you are definitely lacking and you must get with the program. This novella is just a glimpse of whats to come inthe continuation of this saga.

This book give you a complete and utter new respect for Billy. While both heartbreaking and truly from a plave of selfless love that Billy doesn't even comprehend he has his gift. Even though gives great pain can finally give him closure. Thw saying one door closes and another opens is a perfect phrase for where this book is starting to lead us.

True to tyler marys style she has lwft us salivating for what is still to come and it seems it wont be all Champaign and caviar but this book solidified the true circle of family the group has become and the bonds that tie them together strengthen greatly. Can't. Wait for the next book.

Just finished reading New Years Dream and Tyler May has done it again. She takes you back into the world

of Zander and Christian and throws in a few from Angel of Darkness and it comes out to perfection. Billy has his reasons for helping Zander and Christian and it shows a bond that we could only dream of in the real world. I can hardly wait for Dark Regret and The River as I know that Tyler will deliver excellence once again!!!

Leda says

Totally addicted to this series, can't wait for more of Zander & Christian!

I fell even more in love with Billy in this one. Can't wait for Billy & Cash's book 'Dark Regret'

Minor editing issues in this one but damn this was amazing. If you're a vamp lover, I highly recommend this series. Tyler May is definitely an author to watch.

Jen Cothran says

Holy hotness!! I couldn't put this down, once I started I just had to keep going and going and going...*sigh* I love'd and still love Christian, Zander and Billy and this just made me continue to love them that much more. Ultimate trust, sacrifice, and loyalty all rolled into one hot and delicious book!

21 hours ago I downloaded the book....and 10 hours later I PM the author to say "OMG...i couldn't stop, loved it so much, u made me cry and swoon and love the three of them all the more, i missed Christian, Billy and Zander...this was epic and so romantic!"

Love this series and hope to see many more adventures with Zander, Christian, Billy and the rest!! Start with Angel of Darkness to get the "feels" of the characters and then dive into New Years Dream and just loose yourself in the romance!!

Barbara Lampron says

Just as good as the first one!

I liked the length better than the last one. With that said, I really liked the friendship between them. I think that the next one will be an epic fight between the vampires and whoever they will be fighting. Stay tuned.....

This was a great novella! It was sweet and emotional for all the characters involved. Zander and Christian are perfect for each other and now they can finally get what they want without the past getting involved. Billy and Cash they are great but don't know it yet, they definitely are good together lol. I love this series and can't wait to find out what happens in the new year.

I love Tyler's new take on vamps and want more now, but I have to wait :-(

****I was given an ACR from the author for my honest review****

Tyler May does it again!!!!

I am absolutely in love with this series, Zander and Christian are an amazing couple. I enjoyed seeing more of their friends and how they interact with each other and Billy I just wanted to hug him and not let go. Billy has turned in to such an amazing character with his selfless act of helping Zander and Christian become closer and having an amazing New Years. I am very excited for Billy and Cash's story I have a feeling it will be an amazing story.

I know many people are not into m/m/m especially when an established couple is involved but all I can say is wow this was beautifully done. You will not be disappointed while reading this.

I recommend this book to everyone that has read Angel Of Darkness!

Michele Koepfer says

Billy touched my heart in this one. He is the type of friend you would want in you life. The gift he gave Zander and Christian will be one they will never forget! Hope Billy can find what he is looking for in Cash. Tyler you are a very talented author! Can't wait to see what happens next for Zander and Christian!!

Brett Mallon says

Tracy Perry says

Tears & more tears later on & throughout until finished,so worth it though :) I read this book in one sitting it was to good to putdown. Looking forward to Cash & Billy's book, but I need C& Z's more to see what happens next ;)

Nikki says

Tyler you have a brilliant career ahead of you! Book 2 was just as good as the first!

Once again you had me hooked from the start - and the second half - wow the tears flowed!! I love Billy. Cannot wait to read more of his story, he's something special. Now no pressure but just how long until book 3?! I need to know what happens next!!

Anne says

So amazing to meet the gang again. This is such a sweet and sexy story, it got me in tears a few times, too. Zander, sexy as hell and ever; Christian, so sweet, gorgeous and adorable. And Billy, oh I just love him more and more and now can't hardly wait to read his story!

Jennifer Rose says

Five sparkling gold stars!

Zander and Christian's story just gets better and better. I can't wait for more. I actually got teary-eyed half way through this second part of their story, so sweet, so touching, so romantic and sexy hot!

Loved every moment of this short and highly recommend to anyone to read this series!

Thank you Tyler May.

Dreams do come true on New Year's.....if you want to know more, you are going to have to pick up this book. I'm not one to post spoilers, and trust me when you read this book you will want to spill the beans.

Not only do we get more of Zander and Christian, but we also get more Billy, Cash, Lenox, and Venessa.....and when you put that many alpha vampires in a room with equally strong alpha men, then throw in a stubborn headed witch, well...the sparks will fly and the adventures are just beginning.

While reading, you will be given glimpses as to what is coming next and I can't wait to find out....if you don't mind a little vampire stubbornness mixed in with an epic love story, this is the book for you.

4.5 stars for a wonderful story!!!
