His Gift Aubrey Dark

I'm tied up, blindfolded... and aching for his touch.

I was just delivering a cake for a friend - I sure as hell wasn't a birthday gift to a billionaire. But now that I was here, I didn't dare leave.

Even if I wanted to, he wouldn't let me.

Lacey Miller is two days away from being kicked out of her apartment when her best friend offers her a job for some quick cash. Easy as cake, right? *Wrong.*

Billionaire playboy Jake Carville has been looking for years for the perfect submissive. On his birthday, he's looking forward to a special gift: *a girl who can satisfy his every dark craving.*

But when Lacey walks through the wrong door and into Jake's arms, she's everything he'd hoped for... and nothing he ever expected.

How can he lose himself, heart and soul, to a girl he was never supposed to meet?

This is PART THREE of the HIS GIFT dark erotic romance trilogy:

....

Well colour me happy, what an utterly delicious tale, and I just loved Jake *growls* Can't help but want more from this verse, more books from Aubrey full stop.

Keatyn's Mommy says

Lacey and Jake

Things seem to look ok for these two. Jake seems to be an arrogant ass but Lacey is along for the ride. And I do me the "ride of her life"

Mary says

Secrets, locked doors ... Jake and Lacey have bonded through their art as well as all the erotic encounters Jake has created. Lacey begins to wonder if she will be able to say goodbye at the end of the week. She then stumbles upon Jake's biggest secret which is the catalyst to bring all his walls down. From there an amazing piece of artwork is created in one of the most sensuous scenes I've ever read. Will they say goodbye? Or will they realize that they have both found something that they don't want to let go?

4.5 Paint splattered with love Stars

This trilogy of books was good. Full of need and want, sex and desire, secrets and finally some answers.

This 3rd book was the perfect conclusion for Jake and Lacey.

Innocent Lacey had her world awakened when she met Jake. Her senses were put on ultra high. She was encompassed with secrets that finally had light shed upon them .

I was definitely not expecting Jake's dark and sad past. Plus a little added bonus we get nicely surprised with about Mr Jake!!

This book would have been 5 STARS if Lacey's past was more detailed.I know that part would have been shocking as well.

Adding a book 4 to continue their passion would be acceptable Miss Dark!

3 parts, 1 review

This was a quick, light read. After part 1, I honestly expected a little more domination but it was seriously light on that front. A couple of spanks and a tickle with the crop and that's it. He doesn't even really order her around. There's not much of a plot but it's full of steamy scenes (even if they don't seal the deal until the very end) and I enjoyed reading it just for its hot factor alone. I'm shallow like that.

Wow, what a great story. Great detail, suspense, love. Couldn't put it down and had to, absolutely had to get part 2 and part 3. I had to know how this story ended.

Stephie says

Ok... this is a review for his gift 1 to 3... this was ok... a bit short a really fast read...

This is the story of your typical virginal farm girl In NY that happens to meet the billionaire under atypical circumstances... she happens to be confused as the "pet" gifted to the hero... after that you can imagine what goes by... a billionaire who doesn't listen and a girl who is happy to let him do anything... and then ta da! He falls in love!

I hated that this happened in 1 week... it was too much too fast... but apart from that it was ok.

Maureen Nicholson says

3.5 Stars. This was a short sexy serial that consist of three books that total under 190 pages. That's why I rated 3.5 instead of 4 stars, I could've used a bit more.

I really enjoyed the authors writing style, the hero was sexy and mysterious and the heroine was very likable. I had quite a few laughs because of her banter, whether with her friend or the hero she kept me entertained. The sex scenes were very steamy and the story, although not original, was written well and kept me turning pages to see what would happen next.

All in all, I enjoyed this sexy but short 3 part serial and look forward to reading more from Aubrey Dark.

Awesome

This series was intriguing it took you around twist and turns and kept your senses on edge and was hard too stop reading always wanting to find out what is next

Linda Sims says

The final part in this series about Lacey and Jake. He was keeping her for a week as his birthday gift to himself. But what will happen at the end of those seven days. They've discovered a lot about one another in such a short time and feelings have become involved. I really liked this series and will definitely be reading more from this author.

Darvina says

3 - 3.5 Stars.

This was just a little too quick for me.. I loved the BDSM in it. I wanted Jake to kind of lead/guide Lacey through it instead of just putting her in the situations. Overall it was a quick read and easy to follow.. the ending was just a little to unrealistic to me.

Tia says

Finished... Kinda where you expect to see it, but these type of books for me is in the details. It's being able to picture it in my mind as I read it. This one does that.

Mary Lindley says

Dark but Bright!

At first, I was not certain about the content, then Aubrey Dark took me, the reader on a whirlwind ride! I felt like I was in the room with Kate and Lace. Watching them create their painting. The conclusion to part 3 made me want to cry! This is better than "Fifty Shades of Grey"!!!

Shyla Colt says

The final installations in this delicious dark series is as fulfilling as death by chocolate. The mysterious Jake's past is revealed and his journey with Lacey comes full circle. Love is about compromise, and meeting

in the middle. Something that Jake and Lace learn all about through their ups and downs.

I read all three books in one night. I couldn't wait to find out what came next. If you're interested in dark romance, but worry that it might be too heavy for you, this is an excellent starting point! The humor and rumor that run through it really lighten up the darkness.

Madeleine says

Part 1-3: 4 stars! Great chemistry and characters that really caught my interest. Could not put down!

Part 4-6: 2 stars! Was really happy when I found out that there was a continuation to these. Too bad that they were only decent - what happened to the heat?
