Good Counsel Eileen Wilks

This snippet takes place after Night Season (World of the Lupi, #4) and just before the free short story, Cyncerely Yours (World of the Lupi, #4.5). It's more of a scene than a complete story, but I thought readers who've enjoyed the series might enjoy listening in on Cullen's counselling session with Father Michaels.

wonderful deleted scene

Amanda says

This is just a few short pages. It's intended to have taken place after Night Season but before Cyncerely Yours. I think it should have been added to one of them. It may not have fit the stories perfectly perfectly but it's cute.

Jilly says

7 whole pages!! Just a werewolf getting pre-marriage counseling by a Catholic priest. If I tell you anymore, I will spoil the story. Okay, it's already spoiled, cuz that's about it.

mlady_rebecca says

Cullen in pre-marriage counseling.

Darcy says

This one is a quick one, but Cullen throws out a lot to think about and does it in a way that by the end you agree with Abe.

Nice addition in combination with the above mentioned short story.

A short story - actually just a meeting between the priest who will marry Cullen and Cynna. The future groom must explain himself and understand what the church requires. Interesting and Short. on

Trix says

Cute interaction between Father Michaels and Cullen. A discussion on religion and Cullen's intentions after marrying Cynna. I guess this could stand for the 'father-groom' talk to ensure Cullen was thinking of Cynna's well-being. Since Cynna is a neutral subject for me, this ficlet didn't interest me much.

A deleted scene about Cullen meeting with the priest before his marriage. I don't know if it would have added much to the book, but I liked it and wish it would have remained there.

Louisa says

Loved this scene from the POV of the priest, and it was great to see an outsider's perspective! Great scene!

Yes, awesome scene of Cullen having a meeting with the priest who's going to officiate? the marriage ceremony, really great!

Raquel (Rocki) says

I liked seeing Cullen a little flustered when he is talking about marrying Cynna. A nice little snippet.

Sophia says

Loved the follow up chapter of Cullen and his marital counseling appointment with Abe the priest. Definitely great for fans.

Theresa says

Short scene between Cullen and Cynna's priest (his POV) about Cullen's views on religion and marriage and what he's willing to do for Cynna.

Robin says

This was good. I've always liked Cullen a great deal and this didn't change it any.

Jacqueline says

Aww, nice.
