Gravel's Road Winter Travers

Book 3 in The Devil's Knights Series

Ethel had her happily ever after. It may have ended too soon, but it was more than some people got. After Gravel gets hurt, it's Ethel to the rescue, nursing him back to health, and unearthing feelings she had tried to hide for so long.

Gravel doesn't want to settle down. He's lived his life his way for the past forty years, why mess with something that isn't broke? Except Ethel manages to sneak her way in, making Gravel second guess his plan, wondering if maybe there has been something missing all along.

Due to sexual content and profanity, this book is recommended for ages 18+.

5 HUGE Stars. Winter just keeps getting better. I love the interaction between Cyn & Meg they are so funny. The age of the h & H in this one is close to my age & so pleased that we are not portrayed as too old or over the hill.

I was a very lucky girl to receive the ARC for this book. It was a book I didn't want to put down. It was a great read and leaves you wanting the next one to be out already!!! Winter Travers is an amazing author and I was NOT disappointed

Fantastic series!!

This series is keeping me on the edge of my seat! I love that each book is about different member of the club but also that new characters are being introduced within each book too. Not one of the characters feel like secondary characters, they all play an integral part of the stories.

It's Gravel and Ethel's turn this time and its a beauty. My heart!! Here are two people who have spent their time trying to avoid each other....but the heart wants what the hearts. Find out what happens when they decide to stop fighting.....all the feels!! And I FLOVE Ethel!!

I want more!!!!

What happens when you've had your happily ever after and it ends too soon? Ethel had that but she still has life left in her. Her son grown and the President of the Devil's Knights MC. He has found Meg to share his life with. There is only one other man she has been attracted to besides her husband. Once they had been friends but now he just shuts her out.

Gravel has lived his life his way for too long. He likes his back to the wind, a bike between his legs and a

different woman underneath him when he wants. But there has been one woman on his mind lately. Ethel and Gravel are brought together in her small house while he is recovering from being shot. They can't escape the growing attraction. She is the most beautiful woman he has ever seen. Gravel has awaken something inside Ethel that has been buried a long time.

I think Gravel and Ethel have become one of my all time favorite couples. They have come to a point in their lives that there are no games to play but they have to make that decision to take a chance. This is not your typical romance of flighty decisions and then coming back together to make it work. It is a deep romance that comes with maturity. I loved it. Great job Winter Travers. You did it again!

I love this book! I love this series! It's hard to find a good love story where the woman is in her 50's! This book and series have made me laugh, giggle and cry! Winter Travers is an awesome writer!

5 Reunion Stars

Ethel has been in love Grave for the past fifteen years. After Grave have been shot, Ethel was voluntary taking care for him till he can be on his own. I love this series and I can wait to read about Troy :).

“My road lead me right to you,” he said, leaning in, his lips claiming mine.”

Bernadette Roberts says

Pretty good

Mature love wins I agree with other readers that it gets a little old reading about 20 somethings all the time. Only downside was I wished 1 chapter would have been centered on how they met and flirted with each other only to realize that Ethel was married and love was not meant to be at this time

Cup of Tea says

Another great story! I loved that Gravel and Ethel have a happy ever after and I am so glad I can read the next book! The best part about reading a series after it has been out is no cliffhangers! Can't wait for book 4!

I received an ARC in exchange for a honest review.

I absolutely loved Ethel and Gravel their story was so cute. And Holy Smokes Gravel still got 'it'... :-)

Ethel was sassy and knew exactly what she wanted. And Gravel was exactly what a biker should be, Gravel being stubborn. And together they worked perfectly.

Winter Travis's series just get's better and better every time. And Troy's story is going to be AWESOME!!!

Can't wait!

Thanks Winter for the ARC and for the opportunity to read this awesome story.

Gravel and Ethel OMG! I never knew how romantic an older couples love could be. Ethel is the perfect thing for Gravel. But the events with someone unexpected showed up and made things a less perfect. This series has me by the gonads for sure and Winter is an amazing author for writing this amazing series.

Folks yall will not be disappointed in this series!

Voluntarily read and reviewed this book for my honest opinion.
