Murder at the Arlington Kathleen Kaska

It's 1952. Reporter Sydney Lockhart checks into the historic Arlington Hotel in Hot Springs, Arkansas. Before she even unpacks, she discovers the brutally murdered body of the hotel's bookkeeper. What had begun as a simple travel-writing assignment now turns into a murder investigation. The bad news is that Sydney is a suspect. Determined to clear her name and prove herself a reporter deserving more than just travel assignments, Sydney becomes embroiled in the underworld of gangsters and gamblers. In her fight for the truth, she soon faces a more urgent battle-saving her own skin.

Tara Chevestt says

This is the first in a historical mystery series taking place in the 1950s following spunky Sydney, girl reporter as she travels to different historical hotels. This one finds her at the Arlington (est 1924) in Rock Springs, Arkansas.

I really enjoyed this book. Sydney is someone I'd like to have as a friend, smart, with a good sense of humor, tough but not crass. The sense of place was really well done. I feel I know what the Arlington is like.

Delightful, entertaining read with a spunky main character who's unlike most 1950's women--single, independent, and a little quirky. Red-headed reporter Sydney Lockhart visits the Arlington Hotel in historic Hot Springs, Arkansas to write a travel piece for her Austin paper but instead gets mixed up in a series of murders. Sydney's witty and determined, tough when she needs to be. With her debutante cousin, they make an unusual detective pair. Many twists and turns, lots of excitement, interesting venues and cool cast of characters. Highly recommended reading this summer! I'm onto Kaska's "Murder at the Luther".

This book was great. Action from the very first chapter. I have lived in Hot Springs for over 19 years & it was really wonderful to read about areas that I have walked many times & about a hotel that I have been in. Maybe I will stay the night there sometime... :)

Dixon enters the story

I really like this series and the cousins. The story became a little confusing and only made sense at the end.

Allison says

Really enjoyed looking into the world of an Independent woman in the 50's. I kept imagining this was set earlier though for some reason. Would love to travel to the fancy Hotels of this long gone era. The mystery was good, several murder victims in this which is a little more unusual for a cosy. Might there be a romance brewing in the next book?

Evelyn says

I truly enjoyed reading Murder at the Arlington, perhaps more so because I recently stayed at the Arlington Hotel in Hot Springs, and visited some of the same places as the characters in the novel. I could almost put myself in the scenes as I read the story which was suspenseful and well-plotted. It kept me turning pages to the very end. I will definitely read more of Kathleen Kaska's mysteries.
